PANTHERS A WELL BALANCED OUTFIT

The Panther boys will have the reach on the Elonites with their two timbertoppers, Hampton and Keene. Hampton, the Panther Captain, being the smaller as he is only six feet and seven inches short. His redheaded mate, Keene, requires two tape measures and only sticks up six feet and ten inches into the stratosphere. Both of these boys can bat more balls into the basket than the average player can shoot.

Hence, one of the midgets on the team, is their set shot artist and ball handler deluxe. While the two timbertoppers are knocking the ball around in the space, he is scooping 'em off the floor. Noran, Coulter and Zuras, round out a well balanced team.

To pit against these boys, Elon will present their outfit of quick breaking and fast charging fighting Christians, who have been somewhat impressive this year.

John Henry Pearce will attempt to give the tall boys a run for their money, as far as the rebounds are concerned. Jack Gardner with his spectacular shots, will be a continual headache to the visitors. The always can be counted upon Whitley, will be in there battling in an effort to defeat the boys from his home town. Manzi's excellent floor work and Zyvith's fine defensive ability, help to round out the team into a winning aggregation.
