

**MINISTERIAL ASSOCIATION
HOLDS FIRST MEETING**

The Ministerial Association held its first meeting of the year Monday, September 13, 1943. All the officers elected last year were back for the meeting. They include Mark Andes, president; Wally Snyder, vice-president; Earl Farrell, secretary; and Shannon Morgan, treasurer.

The organization will meet every Monday night. The third Monday of each month there will be an informal fellowship meeting. No further plans have been made.

There are a number of new members of the organization this year, among them are Jack Sunburn, Gene Poe, Fred Register, Bob Graham, Richard Hancock, Mac Welsh, and Wennie Wentz. These include students of various denominations.

WITH ELON MEN IN SERVICE

Elon has a large number of men in the army, Navy and Marines. They are a long way from Elon and mail is the only way they can keep in contact with what is going on here. Write to them, they would appreciate it. Below are the names and addresses of a number of these service men. If you know of others submit them to us.

Midshipman James F. Darden, U. S. N. R. Midshipman's School, Room 416, Abbot Hall, 430 E. Huron, Chicago, Ill.

Pvt. Lennings M. Howard, A. S. N. 14190161 Btry. A 342nd Armored F. A. BN. Fort Sil, Oklahoma.

Pvt. John N. Snyder, Btry. B. 341st F. A. Bn, APO 89, Camp Carson, Colorado.

Pvt. D. B. Harrel, ASN 34675473, Btry A-822, AAA BN, Camp Haan, California.

Pfc. Ivan Ollis 1410143, Btry C 342nd FA BN, Fort Sil, Oklahoma.

Pvt. Raymond H. Kern, Platoon 633 Recruit Depot, Marine Barracks, Parris Island, S. C.

Pvt. Brevitt Hook 35755789, TSS 395 Air Corp Technical School, Keesler Field, Mississippi.

Pvt. Charles Mann, 4th Platoon, Co. B ASTU Antioch, Yellow Springs, Ohio.

Cand. Elroy Hooper, ASN 14157100, Co. A, Class 26, Plat 5, Mac OCS, M. R. T. C., Camp Barkley, Texas.

Pfc. Frank L. Huntley, Jr., Station Hospital, Army Air Field, ATC, Homestead, Florida.

Tony Festa, Smeltzer Hall, Room 44, navy V-12, Training Unit, Newberry College, Newberry, S. C.

Pve. Herbert Spivey, Co. B. 38th Med. Tr. Biv., Camp Grant, Ill.

**SEATING ARRANGEMENTS
MADE FOR DINING HALL**

Under the supervision of Dean Kraft and Don Miller seating arrangements have been made and posted for the dining hall. A faculty member, senior, or other upperclassman has been placed at the head and foot of each table. Requests for service are to be referred to the heads of the tables. In the event that the head of the table is absent, the person seated at the foot is to take over.

These arrangement will be changed from time to time throughout the year. It is hoped that students will be able to get better acquainted this way.

**Art Department
Active On Campus**

The art department is a little publicized one here on campus, but it is, nevertheless, a very active one. The instructor, Miss Lila Newman, has been at Elon for eighteen years. She is an A. B. and Art graduate of Elon College and has attended Columbia University and Harvard. Miss Newman has an extensive background in art work and is well qualified to instruct in her field.

The art courses offered include painting in oil, watercolors, drawing, china painting, commercial and industrial arts. The students now are working on still life studies in water colors. Some of the class is engaged in working out still life studies in water colors. Some are painting china and one class is engaged in working out industrial problems for teaching grammar schools.

The department registered over a hundred students this past year, a number of whom are from the county schools; but the majority are college students. The pupils are marked informally, but the lessons are followed strictly by schedule.

Plans for this year include field trips to art departments in other colleges and exhibits if transportation permits. Members of the department also plan to enter exhibits of their own work in the state contest in April. In past years quite a number of the students in this field have attained

Miss Newman is anxious to have all students who are interested in art come to the art room on the third floor of Alamance and talk with her.

**FRESHMEN INTRODUCED
TO CAMPUS LIFE**

The Freshmen Orientation week was observed from Tuesday, September 7 up until classes began Friday, September 10. The activities began Tuesday night in Whitley auditorium with a prelude by Professor Bartley. Edward Butler, president of the student body gave his welcome address to the class of '47 followed by the presentation of the student officers. Coach Pierce outlined the Physical Education program to be carried out. Then Dr. L. E. Smith gave his opening address of the year. Mrs. Kraft, the new dean of women, was presented to the students by Dean Messick.

On Wednesday, registration for the class began. That night there was a party sponsored by the S. C. A. in order that the new students might get better acquainted with each other and the upperclassmen. It was very successful. Thursday, the student officers conducted a tour of the campus, at which time the students were shown the buildings and classrooms. The handbook with its rules and regulations were explained to them.

The week reached its conclusion with a movie of past events at Elon shown in Whitley auditorium.

Sports News

During war years our Athletic Department must necessarily go through many changes. It is affected more this fall than ever before. The army came and claimed all of Coach J. J. Pearce's time; but in his place there will be Prof. L. D. Adcox to direct Boys' Physical Education, and Mrs. D. D. Vickery to be the head of the Girls' Physical Education Department.

Last year intra-fural Councils were begun among the boys and the girls. Officers were elected and representatives from each dormitory, fraternity and sorority were elected to these two councils. These two groups arranged the intramural program and governed all sports' activities throughout the school year if the demands for intramural sports are high enough.

Having no gym is the largest problem of Prof. Adcox and Mrs. Vickery. Prof. Adcox plans to give his boys the physical fitness rating test which is used by the army. This will be given now and repeated again at a later date, and in this way, improvement in development and coordination will be shown. The boys will be given calisthenics, and taught tumbling and other forms of gymnastics. The obstacle course will probably be open for the boys to run during their physical education hour. The boys' program will include tag football, basketball, soccer, tennis, volley ball, track and softball. On some of the rainy days, lectures will be given, and movies concerning the personal habits and hygiene of college students will be shown.

Mrs. Vickery, along with her assistants, Mary Warren and Edna Rumley, will work out a program based on individual poise and coordination. It will be of a creative type with an introduction to social, modern, and classical dances. Sports and games will be introduced, but not emphasized. An intramural program will be worked out if possible.

Military drill will be given to the girls; the boys will not have drill but will be given military commands in their calisthenics.

The army cadets have full program in working toward physical fitness. New things are seen at Elon as the boys run the obstacle course, the Burma Road, and do other things which are included in their daily program. Recently the cadets have been allowed to form teams and compete with other branches of the armed forces. Two weeks ago, track, tennis, and softball teams went to High Point to play against the cadets at High Point College. Our boys came out on top. Today the Elon Cadets played hosts to the High Point Cadets. They had games of softball, volleyball, and tennis teams. The games began around 2:30 p. m. Spectators were permitted to watch the out-of-door games. So now the "New Elon" meets the "New High Point" on our old stomping grounds. It won't be too different from old times, and the Elon players can certainly be assured that we will be backing them—at least, until our boys come marching home again.

Former Students

Despite the fact that Elon has not been favored with the usual number of visits from her Alumni this year as she has been in former years, there have been a number returning to th campus his year. The student body and faculty are always glad to see any old students who can get back.

Those visiting us since the opening of the term include the following who are now in the armed forces. Lieut. Wade Lowe, who has just received his commission at Turner Field, Albany, New York; Pvt. Nelson Snyder, Camp Carson, Colorado; Pvt. George Bullard, State College, Raleigh, N. C.; Billy Johnston, Richmond Medical College, Richmond, Virginia; Fred Gray, University of Louisiana, New Orleans, Louisiana; Ensign William Hilliard, U. S. S. Chikiskia, Miller Basnight, Duke University, Durham, N. C.; Capts. Lloyd Whitley and Steve Allison, South Pacific; Lt. Paul Messick, South Pacific; James Roberts, Fort Sil, Oklahoma; Lt. Robert Glenn, Quantico, Virginia; Ensign C. E. Bryan, Branson Field; Lt. Ross Smith, Fort Bliss, Texas; Lt. Charles Donato, and Pvt. Lawrence Paige.

WANTED: One girl vocalist to sing with Elonaires at CTD dance October 9. See A-S. Jim Hoag.

SENIOR CLASS NEWS

The present Senior class was well over 200 in number when they came to Elon as freshmen in 1940. It's members did not suspect, when they entered Elon, that only two years of normal college life was in store for them—but during those two years they enjoyed all the pleasures that any boy or girl has the right to expect.

First came the draft; then the war, to serve their country. Among those One by one their class mates left them who left and whose address are now available were Louis Agresta, Miller Basnight now a Marine at Duke, Bowden, Warren Burns (Aviation Cadet in Texas), Claude Comer (army), Ray Daq (army), Bill Duncan (Aerial Photographer in AAC), H. C. Hisey Brevitt Hock, Elroy Hooper, Henry Huff (Navy at Newberry college), Gordon Huffman, Tracy Hussey, Joe Kidd, Charles Mann, Alex Mebane, Clyde McKenzie, Louis Nance (army reserve), Paul Ridge (nacy, Howard college in Alabama), James Roberts (army reserve), Pearce Senter (navy, Howard college, Ala.), Denny Whisnant (army reserve).

Last spring the tclass elected officers for the coming year. About a month later the army reserves were called and the marine reserves left soon afterwards taking the newly elected vice-president, H. C. Hisey, who has been replaced by Mark Andes.

The present officers are president, Bobby Johnston; vice-president, Mark Andes; secretary, Virginia Jeffreys; treasurer, Charlotte Husted.

Hall Proctors Elected

Under the leadership of Rachel Crowell, president of the Woman's Council, the women students elected their hall proctors for the year. Those chosen include Mary Warren and Ellen Barrier from second floor West dormitory; Stacy Fisher and Mildred Yancey from third floor West; Carroll Rath from Cedar Lodge; Goldie Morris and Florine Braxton from Ladies Hall; and Faye Thomas from Oak Lodge. These proctors automatically become members of the council. It is their duty to see that quiet is observed in their respective halls, that girls are in the building at the designated time, that they are in their rooms by 11:00, and that lights are out at that time.

At the last meeting of the council, an approved chaperone list was made out. to qualify as a chaperone a girl must have good character, must be an upperclassman, and must retain a "C" average in her work. The list will be posted in the near future.

The officers of the Council are Lucille Blalock, vice-president; Margaret Rawls, secretary; and Frances Gunter, treasurer. Other members are Elizabeth Parker, sophomore representative; Eliza Boyd, junior representative; and Hazel Walker, senior representative.

Have a Coca-Cola = Howdy, Neighbor

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

from Arizona to Australia

At home or abroad, when the American soldier says Have a "Coke" to a stranger, he's made a new buddy. From Minneapolis to Melbourne, Coca-Cola stands for the pause that refreshes —has become the mark of the good neighbor.
