### NEW OUTDOOR BOWLING ALLEYS ARE POPULAR: INTRAMURALS GOING WELL JUNIOR MANAGERS NEEDED

The Intramural Council members, the faculty members, and our president, Dr. Smith are delighted by the way in which our capable coach, Mr. Adcox, is carrying on the athletic program this year.

Badminton, shuffle board, bowling and archery have already started in the Physical Education classes, and the girls anticipate with enthusiasm their classes each Tuesday and Thursday. Bowling seems to be of greatest interest because it is the newest sport we have here on campus.

Now, in the Intramural volleyball tournament it seems that Third Floor West is boosting its record of winning every game played, so far, except a practice game they lost to Ladies' Hall at the beginning of the tournament.

In the game the night of November 1, the 3d floor girls won from Ladies' Hall with scores of 15-11, 15-1, 15-11. Those of you who have seen the Ladies play before noticed they were off de ball that night against 3rd floor. If there should be an doubt as to why—ask the student council!

Parker, Rawls, Pierce, and Benton seemed to be "in there" for West and Johnson and Standard for Ladies' Hall.

The percentages now stand as follows:

Team	Won	Lost	Pct.
3rd Floor West	3	0	1.000
Ladies Hall	2	1	.667
Day Students	1	1	.500
East	0	2	.000
2nd Floor West	0	2	.000

We need some more applications for junior managers, so Coach Adcox tells me. At least two are needed, so come on junior girls and hand in your names so you will be in line for senior manager next year.

in his new battle. Let's hope he comes out a winner again.

We are losing another good sport on the 12th. I guess you all know by now that Leon Gibbs is leaving but this is just another reminder for the students for another swell fellow.

Well it looks good to see Maroon and Gold basketball trunks moving about on the gym floor. Yes, and it is the boys who fill them that will make that Maroon and Gold even brighter during the coming season. They all seem so proud to be wearing the school colors. We are proud that they are wearing the colors too.

One of our many intramural programs is over and this is tennis. It seems as though we are sending a champ off to the army. Yes, Joe Franks is tops here on the campus. He is our new intramural tennis champ. What a man, just what he army is looking for. He is a swell guy and we all wish him the best of luck

It looks like Coach Adcox was putting the boys through their paces. The coach was drilling them in single and double rebound drills. The star dribble was used for ball handling and drills were used by the guards in a short but fast scrimmage. They look good and they will continue to if they follow "8 Pages of Do," that I was looking at.

Coach has fine list of them for conditioning and just simple little training hints. They are all good and all are important. We can all get behind our boys for they are something to push.

Among those who appear to be showing up exceptionally well are Danny Banks, a very good ball handler, will probably take the center positions on the court Bobby Foust, frosh, looked well. He was a high school star from what we hear. We would like to see him and the rest of the boys college stars.

Bill MacIntyre is proving himself to be one of the first stringers. Wallace Owen, the Gibsonville star, looks like he will star again. Harvey Rawls doesn't seem to be bothered by that bum shoulder of his. I should think that Fred Register will be one of the vertebra in our basketball backbone. Wayne Taylor will be right behind him. Although Emerson Whatley claims he can't see, I would pay good money to watch him if he could. He works right up there with the rest of them. Bobby McCotter is doing very well too.

Of course what is said in this column is my own opinion and I am stating what I see. Coach Adcox hasn't given any statement as to who is the most outstanding. I am using my own judgment.

Fred Chandler, Delmon Felton, Bob Graham, Ronald Grimstead, Willard Marlette, Jimmy Peeler, Jack Stone, Harry Turner, Carl White and Fred Yarborough all look good. There will be a lot of ups and down insofar as who is tops and it would be unfair to say who will eventually be among the first five. But we all know that they will be good, no matter who they are. We will all be behind them every inch of the way right to the top.

Our intramural volleyball seems to be doing O. K. It looks like the upperclass boys will come out first. But it is hard to say for sure yet.

While we are on the subject of sports, I think the faculty deserves a round of applause for showing their sportsmanship in the Halloween celebration.
