Topping of an excellent team record during the 1954 football season, the Fighting Christians claimed four places on the All-Conference honor squad and placed one man on the All-State squad as coaches and sports-writers passed out the individual laurels to the 1954 stars.

Homer Hobgood, (right), who held down the important center post and anchored the Christian forward wall, was one of four Elon stars placed on the All-Conference outfit, and then he was named one of the two top centers in North Carolina and given a place on the All-State combination that included players from both the "Bg Five" and North State schools

Hobgood, who is a junior from Oxford, averaged better than fifty-five minutes of play in each of Elon's nine games this season and proved to be a tower of strength on both offense and defense. He was a deadly tackler and also accounted for two pass interceptions and recovered two enemy fumbles during the season.

Named to the All-North State Confer ence squad along with Hobgood were Kerry Richards (upper left), scphomore halfback from Mahoney City, Pa.; Bob Stauffenberg (center left), freshman fullback from Morea, Pa.: and Glenn Varney (lower left), sophomore guard from Powell, Pa.

Richards and Stauffenberg stood out on offense in the Christian backfield all season, with Richards leading the scoring and Stauffenberg pacing the rushing for the Maroon and Gold squad. Varney saw heavy duty at guard throughout the season and was particularly effective on defense, where he recovered three fumbles and intercepted two enemy passes Stauffenberg was the only freshman
