## Jayvees Win Home Game

By Gary Dean The Elon Fighting Christians "B" team recorded their first victory of the season Friday, Oct. 3 as they handed the Croft College Cougars of Greensboro a 35-6 shellacking on the Elon field.

The "B" team of Coach David Gentry rolled up a 19-0 halftime lead of the strength of touchdown passes from quarterback Steve Rumley to flanker Barry Baker and halfback Mike Lawton, and a touchdown run by halfback Larry Avery. The lone extra point was provided by Tom Miller on a placement kick. The "B" team added

16 points in the second half on touchdown passes from Rumley to end Chuck Brantley and flanker Tommy Blake. The con-

versions were provided by Rumley and fullback Ken Strickler on runs. The defense, led by tackle Roger Kirk, line-backer Fred Beeson, and defensive back Al Coving-ton, limited Croft to only one score. It came on a touchdown pass late in the fourth quarter.

The victory brings the team's record to 1-0-1 following an opening game 0-0 deadlock with Hargrave Military Academy on Sept. 19.

Ghandi's Move

(Continued from Page 2)

ter a white passenger had refused to share his com-partment with a "coolie". There was absolutely nere was absolutely nothing Ghandi could do to the white man or the others who had put him off the train. Violence would have been abso-lutely useless. He real-izes that retaliation for this incident or the inthis incident or the innumerable similar incidents throughout Africa and India itself would be as wrong as the actions of the oppressor. Instead Ghandi practiced and preached a means of reon his faith in the ultimate truth of God and that truth itself will prevail over any evil.

He knew that war and violent revolution were forms of evil in them-selves and that putting one evil against another could never come out in any form of truth or good. He puts this "Saty-agraha", or truth force against British plantation and mill owners who were exploiting the Indian peo-ple; thus, upholding the truths of each man's free-dom and the inhumanity of exploitation. He urged them to strike and as they hungered he fasted until there were fair set-tlements. Ghandi's means were practiced more and more and he became well known and praised throughout the world.

Ghandi settled internal disputes and misunder-standings among his people, constantly relying on the truth of God and belief that it will always overcome any form of evil. He was assasinated by a Hindu extremist on Jan. 30, 1948, shocking all of India as well as the whole world, but leaving us all an example of truth itself.

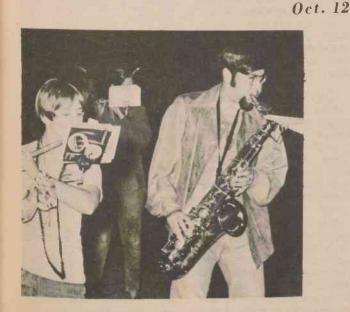

We, the youth, do not fear such oppressors and the changes we feel necessary are minute, in many respects, compared to what Ghandi faced.

Yet, we acknowledge the necessary changes that must be carried out. Peace is the second largest word known to humanity. Love is the first.
