Computer 809B was in love,
With Computer 341H7 of
The enterprise known as New
Thinking Mec.
But it would not click,
Just would never tick:
He was IBM, she—General Elec!

OOPS!

Broadside Today would like to correct an error concerning the authorship of last week's article entitled "The Library, Quiet and

Serene." The article was attributed to Bonnie Dorman, but was actually written by Kathy Vaughan, a senior here at Elon. Sorry, Kathy!
