Songwriter, musician

Prine to rock Elon

The Elon College Student Union Board will present a concert by John Prine on Thursday, Nov. 12 at 8 p.m. in Whitley Auditorium.

Prine, a folk-pop rock musician, has given concerts with strongly positive reviews across the United States.

Born in 1946 in Maywood, Ill., a working-class suburb of Chicago, he developed an early interest in music, particularly rock-and-roll and country. His older brother, Dave, taught him to play the guitar. He worked for the U.S. Postal Service and served in the

U.S. Army before he began to actively write songs. In 1970, Prine made his first stage appearance.

His songs have been recorded by pop, country, folk and rock performers, and he has developed a mass audience through his club and concert tours himself.

His latest album, *Pink Cadillac*, was recorded in 1979, and features Prine singing and playing rhythm, acoustic, and electric guitars.

His Elon concert will be free of charge to students, but non-students and faculty will be charged five dollars.

Homecoming activities scheduled to begin Monday

by Debra Burke

Homecoming activities scheduled to begin Monday, Nov. 9 will provide a wide variety of exciting events for Elon students.

Monday has been named "Clash 'em Day." Students should wear outfits that clash in color. Then Tuesday, Nov. 10 is "Tie Day," and Wednesday, Nov. 11 is "Lick 'em Day."

Students will then receive free lollipops when they buy tickets to the Homecoming

dance. Thursday, Nov. 12 is "Maroon and Gold Day" and all students are urged to wear Elon's colors.

Thursday will also see Jack White and the Fighting Christians Band joining Coach Jerry Tolley and the NAIA football champions in celebration of the 1981 Homecoming Weekend and the Winston-Salem State football game outside of Whitley Auditorium at 9:30 a.m.

"Elon Shirt Day" will be

on Friday, Nov. 13. The 1981 Homecoming Dance will be held that night at the Best Western Hotel in Burlington from 9 p.m. - 1 a.m. The Fabulous Kays will be performing, playing everything from rock-and-roll to beach music. This year each person attending the dance will receive a 30-ounce Homecoming favor.

Tickets for the dance will go on sale Monday, Nov. 9. The cost will be \$5 a couple and \$3 a single in advance.

Tickets may also be purchased at the door for \$7 a couple and \$5 a single.

Elon's Fighting Christians will take on Winston-Salem State's Rams at 2 p.m. on Saturday, Nov. 14 at Burlington Memorial Stadium.

Pre-game activities include the 1981 Homecoming Court presentation and the judging of the mini-floats at the end zones of the field.

Half-time activities include Winston-Salem State's Band in an eight-minute show, followed by the Fighting

Christians Band's performance and the arrival of the Homecoming Court and escorts on the field. While Elon's band is performing, the Black Knights representing the Army ROTC will parachute onto the field. Finally, the Homecoming Queen and her court will be announced.

A dance will be held for alumni at the Best Western Hotel and another one at the Alamance Country Club at 9 p.m. on Saturday, Nov. 14 to close the week's activities.

Preregistration extended

by Loukia Louka

Preregistration for the winter and spring terms will begin on Wednesday, Nov. 11 and continue through Friday, Nov. 20.

Registrar Mark Albertson said he scheduled preregistration this year for eight days instead of the usual seven days, "so no day will be overly busy. There should be less people registering per day. This will be more convenient for students. In view of this extra day, we see no need for students to get up and wait for hours outside the office to preregister. Students have been known to wait from 5 a.m. until 8:30 a.m. when we open. This is totally unnecessary."

Albertson reminds students to refer to their preregistration guides to see which day they are supposed

to come. Students will not be allowed to register before their scheduled day, but they may go afterwards if they wait no later than Friday, Nov. 20.

Students are urged to meet with their advisers as soon as possible to work out a preregistration schedule before their assigned registration day.

When filling out the forms, students should first check their personal data written at the top of the forms. If anything needs to be corrected, students should make the corrections on the blanks below the typed print.

The registrar encourages people to preregister to avoid waiting in line on registration day. Students are also encouraged to pay their tuition early through the mail.
