Dormitory students who do not attend Winter term will have an amount credited towards their Spring bill. According to Karen Hughes of the Cashier's office, dormitory students paid extra on their fall bill to cover their winter term meals. The sum comes up to \$160 for students on a 7-day meal plan and a refund of \$130 for students on a five-day meal plan.

On graduation, 378 students have applied for a degree. "I know there's another 20 or 30 students out there," says Albertson, "so they need to get in here. I don't want anyone to be penalized." Albertson adds that even though the application deadline has passed, students still have time to apply for graduation.
