

A huntin' we will go!

Children of the faculty started their Easter April 3 by hunting Easter eggs placed around the campus near the library.

ecutive offices. Almost everyone in the senate agreed that the qualifications were necessary.

"A judicial committee meeting was scheduled and was attended by only one member of the committee," said Moser. The problem occurred when the one member in attendance to the judicial meeting wanted to include a deletion of a line in the constitution which states that "all executive officers of the SGA shall be members of the rising junior or the rising senior class."

Moser said, "The bill was written up to include the qualifications of the executive officers, including the deletion of that particular qualification that students must be rising juniors or seniors. This bill was presented at the March 21 senate meeting.

"At this time, there was a procedural error in the meeting," said Moser. "Most of the bills that are passed by the senate have to be approved by a majority of the senators in attendance at the meeting. But this was an amendment to the constitution, and amendments to the constitution have to be approved by two-thirds of the entire senate."

Moser said that the bill passed with a majority of the senators

that were present, but the error was brought out the following week by the senators who attended the meeting. They went to Dean of Student Affairs Ron Klepcyk in order to correct the error after having informed the president about the procedural error.

Moser said that he called a special meeting of the senate for April 2. "What I wanted to do was consider the amendment, and consider allowing rising sophomores to run for executive office, as separate matters," said Moser. "The bill that had been passed incorrectly in the previous meeting was reintroduced, and a separate bill to allow sophomores to run for executive office was added to the agenda."

The amendment that was reintroduced failed to pass after a long debate.

Moser said that the amendment to include qualifications of executive officers will be considered again. He said, "I hope that it will pass, because removed from the issues that were involved this time because of the time factor of the elections, it is a general consensus that the qualifications are a good idea."

Voting will be in both dining halls and in Long Student Center on April 22-24. Votes will be tabulated on the evening of April 24, and the new officers will be sworn in the next day.

Pendulum Classified Advertising

Do you have a car, bicycle, textbooks or clothes to sell? Do you offer babysitting service, yard work or machine repairs? Do you want to wish someone a happy birthday or anniversary or to commemorate some other special occasion? If you have any kind of brief message to communicate to the Elon College community, a classified ad in *The Pendulum* would be the ideal way to do it. A classified is less trouble than putting up handbills, and it reaches thousands of people for a little money.

Use the classified ad form printed on this page to write your message, then mail it with your payment to Campus Box 2236 or bring it with your payment to *The Pendulum* office on the second floor of the Gallery, corner of Williamson and Lebanon ave-

nues across from the college (we're two doors down from the Town Hall).

Rates for classified advertising are:

Elon students, faculty, staff: \$2.00 for 25 words or fewer (per issue)

All others: 14.00 for 25 words of fewer (per issue)

Additional words: 5 cents each

Box around ad: \$1.00 per issue

Bold type ad: \$1.00 per issue

ALL CLASSIFIED ADS MUST BE PREPAID.

Deadline for classified ads is 3 p.m. Tuesday. *The Pendulum* reserves the right to reject any advertising that is libelous, racist, sexist, obscene or in poor taste.
