

**GUESS WHO HIRED
MORE PEOPLE RIGHT OUT
OF COLLEGE LAST YEAR
THAN ANYONE ELSE.**

Hiring college grads is something the Army has always done. And lately, we've been doing a lot more of it.

In fact, last year alone nearly 7,000 college grads chose to begin their future as Army officers.

Why? Some wanted the opportunity to develop valuable leadership and management skills early in their career.

Others were impressed with the amount of responsibility we give our officers starting out. And still more liked the idea of serving their country around the world.

Interested? Then you can start preparing

for the job right now, with Army ROTC.

ROTC is a college program that trains you to become an Army officer. By helping you develop your leadership and management ability.

Enrolling can benefit your immediate future, too. Through scholarships and other financial aid.

So the next time you're thinking about job possibilities, think about the one more recent college graduates chose last year than any other.
