

# High school math contest here Saturday

Elon College will host its 9th Annual High School Mathematics Contest here Saturday.

The contest is one of a series of 14 regional comprehensive contests being sponsored by the Mathematics Division of the State Department of Public Instruction and the N. C. Council of Teachers of Mathematics.

Contestants will compete individually and as members of their school team. Elon will award a \$1,000 scholarship to the student with the highest qualifying score who plans to attend the college.

Robert R. Jones, N. C. math coordinator for grades kindergarten-12, will address sponsors during the test. An awards presentation will follow lunch.

# Mail fraud case cracked

By John Hoyle  
Emphasis Editor

According to Buck Bayliff, director of auxiliary services, U.S. Postal Inspectors said last Wednesday that an Elon College student who was working with the college mail services had been stealing mail.

The postal inspectors, who work for the U.S. Federal Government, were called in by Elon College Postmaster Earl Vickers. Their investigation lasted three weeks.

Bayliff said, "We have had a lot of students to come in and complain about their mail missing. We've listened to complaints and the students thought that we

were not doing enough, but that is because the postal officials told us not to say much so they could conduct an investigation."

Many of the missing cards and letters contained cash and plane tickets. "Some of these letters have been recovered and they are now being examined for fingerprints by the FBI," said Bayliff.

**ST. GEORGE'S UNIVERSITY  
SCHOOL OF MEDICINE**

Affiliated Hospitals in  
New York State  
New Jersey  
United Kingdom

**GRENADE  
ST. VINCENT**

- Approved February 4, 1987 by the New York State Education Department for the purpose of conducting a clinical clerkship program in New York teaching hospitals.
  - St. George's received a similar approval in 1985 from the New Jersey Board of Medical Examiners; this establishes St. George's as the only foreign medical school with instruction in English that has state-approved campuses in both New York and New Jersey.
  - Over 700 students have transferred to U.S. medical schools. St. George's has graduated over 1,000 physicians:  
They are licensed in 39 states;  
They hold faculty positions in 20 U.S. medical schools - 25% have been Chief Residents in 119 U.S. hospitals (according to a 1986 survey).
  - St. George's is entering its second decade of medical education. In the first decade, we were cited by *The Journal of the American Medical Association* (January 1985) as ranking number one of all major foreign medical schools in the initial pass rate on the ECFMG exam.
  - St. George's is one of the few foreign medical schools whose students qualify for Guaranteed Student Loans. Our students also qualify for the PLUS/ALAS loans and, under certain conditions, VA loans. St. George's grants a limited number of loans and scholarships to entering students.
