## Frankly Speaking

by Phil Frank

I can assure you that we are all as excited as you are about your sudden ability to speak in tongues... but I must remind you this is a Spanish quiz.

### FAMOUS LAST WORDS FROM FRIENDS TO FRIENDS.

"Are you OK to drive?"  
"What's a few beers?"

"Did you have too much to drink?"  
"I'm perfectly fine."

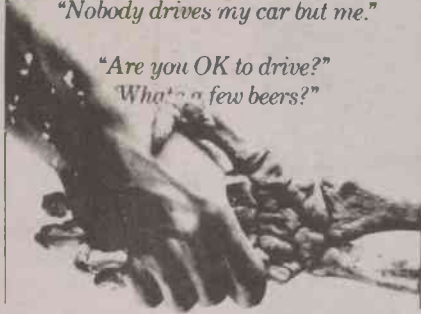

"Are you in any shape to drive?"  
"I've never felt better."

"I think you've had a few too many."  
"You kiddin, I can drive with my eyes closed."

"You've had too much to drink, let me drive."

"Nobody drives my car but me."

"Are you OK to drive?"  
"What's a few beers?"

## Athletic director misquoted on lacrosse

To the editor:

It should be pointed out that I was misquoted in your article on lacrosse that appeared in the Thursday, April 16, issue of *The Pendulum*. Your reporter asked the reasons lacrosse was not offered as an intercollegiate sport at Elon. My reply was that there are three basic reasons:

(1) Lacrosse is not an NAIA

sponsored sport.

(2) To my knowledge the only school in the Conference with which we are affiliated that has an intercollegiate lacrosse team is Guilford, and they participate through an NCAA auspices with which we are not affiliated. (I have since learned from Dr. George Taylor that Pfeiffer has a team and participates through

NCAA affiliation.)

(3) We do not have the funds to hire a coach and sponsor another team at this time.

I did not say that lacrosse is not recognized as a team sport by the NAIA nor did I say anything at all about Guilford being the only college we would be able to play if we had an intercollegiate team.

Dr. Alan J. White  
Athletic Director

Editor's note: We apologize for the errors.

### Reader wants 'chance' for club

To the editor:

Lacrosse is a sport that is alive

and coming on strong. The only thing holding back the lacrosse club from becoming a team sport is the athletic department.

Why doesn't the Elon athletic department give the lacrosse club a chance? Are they afraid of a winner?
