# Budweiser Leisure Time Activities.

**King of Beers Checkers!** This game is played the same as ordinary checkers except that one player uses Bud bottle caps, the other uses caps from an ordinary beer. The Bud player has a decided advantage, as his pieces are automatically kings. The loser has to buy more Bud.

**Got a match?** (1) Can you, by moving only two matches, spell the word "BUD"? (Answer below.)

**Hydraulic Flow Quiz!** (2) There are 12 ounces of beer in a Bud Longneck. If the beer is chilled to 50 degrees Fahrenheit, with an ambient temperature of 88 degrees Fahrenheit, and you hold the bottle at a 45-degree angle, at sea level, with an atmospheric pressure of 15 p.s.i., how long will it take to empty the bottle? (Answer below.)

**Answers:** 1) Neither could we. 2) Sounds like a great experiment to try in California or Hawaii or wherever you plan to take your vacation this year.
