

College to host career fair on Wednesday

Elon College will host a Career Fair on Wednesday from 1:00 p.m. until 4:00 p.m. in Alumni Gym.

More than two dozen employers representing a variety of businesses, industries and agencies will be available to talk about the many career opportunities within their fields. Interested individuals are welcome to attend; however, there is a \$2 entrance fee for the general public.

"The purpose of the fair is to inform students and the general

public about the many career opportunities available in a wide range of employment areas," said Karen Thompson, director of placement and coordinator of the event.

"It is designed for individuals at every level of the employment process - those who simply want to explore career fields as well as those who want to talk to specific employers."

According to Thompson, there is still space available for career ex-

hibitors. Any firm or agency interested in participating should contact Thompson immediately at the Elon College Placement Office, Campus Box 2223, Elon College, N.C. 27244 or call 584-2538. There is a \$35 fee per representative, which covers set up, lunch and light refreshments.

WANTED:

The Pendulum is looking for people interested in becoming part of the photography staff. Must have your own camera. Film is provided for assignments. Salary: \$5 for every photo we use. Call The Pendulum office x. 2331 Mon-Wed afternoons.

You won't notice any difference, but your country will.

The five minutes you spend registering with Selective Service at the post office won't change you. But it will make a difference to your country. So when you turn 18, register with Selective Service. It's quick. It's easy. And it's the law.

A public service message of this publication and Selective Service System.

Makin' it great!
