

Deadlines for graduating seniors drawing near

It's time to start thinking about graduation, seniors. If you are a senior and planning to graduate in the fall, winter or spring an application for graduation must be filled out by Oct. 17, according to Mark Albertson, Registrar at Elon College.

Applications are available in the Registrar's office. "The application must be filled out neatly, especially the name," Albertson said. "I would hate to have the wrong name on someone's diploma."

After the application is filled out a fee of \$35 is paid to the cashier. Then an appointment with Albertson is required to make sure all the requirements for graduation are finished.

"I encourage everybody to sign up now," Albertson said. "So far traffic through my office has been steady and nobody has had to wait more than a couple of days for an appointment."

Albertson said he will interview approximately 600-650 students. An increase of 50-75 students from last year. "I believe this could be the largest commencement," Albertson said.

As of now, Albertson has met with 240 students and he asks that students come in as soon as possible to avoid the rush at the deadline.

A letter will be sent out at the end of March to all seniors who are registered for graduation. The

letter will contain everything needed to know about graduation.

If living off campus it was advised by the Provost Office to make sure the registrar has the correct address so all graduation information will be received.

Other deadlines to be aware of

are concerning the Job Fair. The Job Fair takes place Nov. 5 and 6 at the Sheraton Greensboro Hotel. There are certain criteria to follow in order to attend.

A placement folder must be completed with ten copies of a resume included. Interviewing,

resume writing and resume critique workshops will be held during the next few weeks. Any senior wishing to participate in the Job Fair must attend two workshops. A schedule can be picked up at the Career Services Office.

The registration deadline for

Job Fair applications and resumes is Sept. 26. Karen Thompson, director of placement, said it is important to start looking for a job now. "It takes 6-9 months for a professional with experience to find a job," Thompson said. "Don't wait to long to get started."

A lot of campus rapes start here.

Whenever there's drinking or drugs, things can get out of hand. So it's no surprise that many campus rapes involve alcohol.

But you should know that under any circumstances, sex without the other person's consent is considered rape. A felony, punishable by prison. And drinking is no excuse.

That's why, when you party, it's good to know what your limits are. You see, a little sobering thought now can save you from a big problem later.
