Parents Weekend

Weather contributes to success

Parents came from as far away as London, California, Hawaii and to participate in this year's Parents Weekend.

The events began on Friday with the Parent/Child Golf Tournament. Thirty-nine teams participated in the tournament which was held at Quarry Hills Country Club. Jerry and Jay Burke shot 71 to win the Men's Division while Keith Walker and Keith Jr. shot 74 to finish in second place. Brodie and Jennifer Rudd shot 77 to win the Women's Division. Richard and Terry Knowles finished in second place.

Jim Bush, assistant director of parent relations said that the number of visiting parents on campus was not available. He did say that 600 people were fed at

Saturday's buffet lunch while more than 450 people were fed at Saturday's dinner. He went on to say that Friday evening's Chicago City Limits show sold out in three days.

Our goal for this weekend was to get parents on campus to visit with their children, their friends, professors and talk with student advisors," Bush said. "We were lucky, the weather was a

contributing factor to our success, it could not have been any better."

On Saturday, the schedule was full of picnics, parent-professor meetings, a football game and the Fall Feast.

Missing in action

Pendulums taken from news racks

If you were waiting to read *The Pendulum* last Friday, you probably had to wait a lot longer than usual. Thursday, Oct. 3, almost 2,600 papers were stolen from distribution racks.

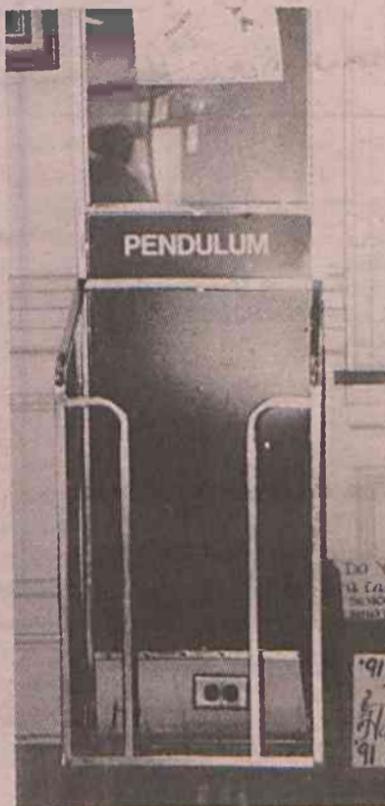

There has been speculation as to why they were stolen. However, no one really knows

where they are or why they were taken. According to Dean of Student Affairs Ron Klepcyk, "It's a continuing investigation and the papers have not been found."

Murray Glenn, the managing editor of *The Pendulum* was with one of the distributors before the theft occurred. Glenn said that 2,600 papers are usually delivered to the different racks; 1,300 to Long Student Center and 1,300 to the Fine Arts Center.

Glenn and the distributor said that they spotted someone near the Long Student Center distribution rack around 4:30 p.m. They continued to organize the papers despite the fact that a guy was standing there watching them.

As far as Angel Herlihy knows, she will be back at Elon for winter semester.

She said she really hasn't had enough time to think about it.

According to an October 8 article in the Burlington *Times-News*, Herlihy was made an offer to return to Elon for the fall semester after Elon College police chief Dan Ingle raised the necessary funds.
