FACTORY OUTLET

Burlington Outlet Mall Store 124 I-85 & 62 Intersection Burlington, NC 226-5587 Visa, MasterCard, Discover, and American Express

**The construction tour**

Some renovations are nearing completion while others still have a way to go. Work is complete in Powell building while some of the new classrooms in Carlton are beginning to take shape.

Models and plans for the new student center and the gymnasium renovations are on display in the rotunda of Alamance building. Members of the community are invited to leave written comments with the switchboard operator.
