Wednesday Feb. 16 was International Residence Hall Student Staff Recognition Day. There is a special group of 80+ students that work side by side every day with the residents of this campus. We call them Community Development Coordinators (CDC's), Head Residents (HR's), Office Workers (OW's) and Housing Assistants (HA's).

No matter what their title, they all represent one very important truth from the Residence Life Department: **THEY ARE THE SOLID FOUNDATION UPON WHICH OUR DEPARTMENT STANDS. WE WOULD NOT BE AS STRONG OR FIRMLY GROUNDED WITHOUT THEIR DEDICATION.** So, even though this special day has passed, please, when you see a student staff member- Thank them for all the big, small and unsung task they perform each and everyday. Thank you.
