

# Off-campus Housing That Feels Like Home.

Do you ever wish you still had all the space and conveniences you grew up with, but don't want to give up the experience of living around new people and making new friends? Welcome to Partners Place Elon—a luxury condominium complex like nothing Elon has ever seen. Every 1,500+ SF unit has three suites—each with its own private bath and large walk-in closet, a shared living room, fully-equipped kitchen, large sunroom, and an extra room for den or dining. All condos are pre-wired and networked for high-speed Internet, cable TV and alarmed security. The professionally managed community offers lots of free parking, an outdoor grilling area, a car spa center with vacuum, volleyball and basketball courts, horseshoe pits and Wi-Fi wireless Internet in community areas. Best of all, Partners Place Elon is located just minutes from campus.

Rental applications are being accepted now for August 2006. Condominium rentals start at \$1,425. Ownership and investment presales are also available now for Phase I. Presale prices start in the mid \$160s.
