

I've only known him for 2 months, but I'm falling in love with my best friend

I'M A GIRL AND ALL THE GUYS I'M ATTRACTED TO ON CAMPUS ARE GAY! WTF?

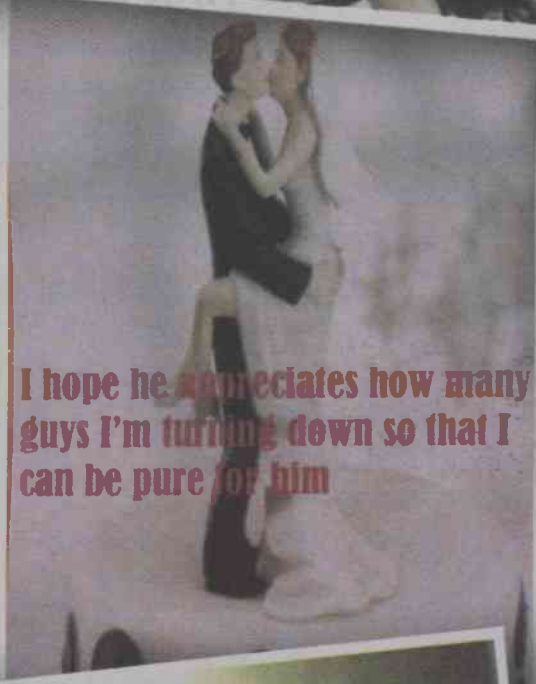

I may be a 20 year old girl who doesn't drink, has never smoked, gone to 2 parties in 3 years, and has kissed 2 guys

but I am satisfied knowing that I am not going to wake up tomorrow with fear or regret about what I did last night (which some girls at Elon ought to try sometime)

MEANT  
...  
IN  
WITH 2  
GENT GUYS  
NOT KNOW  
WANT

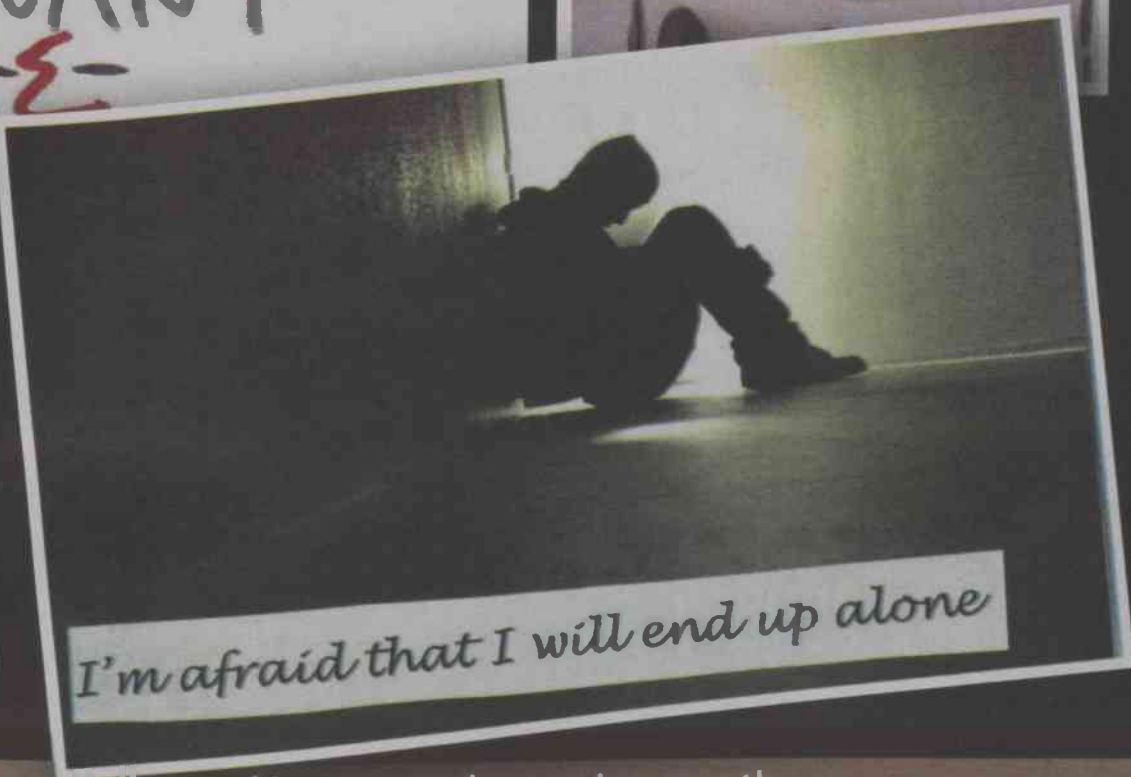

I hope he appreciates how many guys I'm turning down so that I can be pure for him

I wish I could make everyone happy

I try to every day

I'm afraid that I will end up alone

Dear Santa,  
I've been REALLY GOOD

this year,  
so for  
Christmas  
can I please  
have

#32?

xoxo...
