

Regional Alumni Programs

If you're moving to a new city after graduation, chances are you won't be the only Elon alumnus there! Our regional programs consist of chapters and clubs that are geographic-based, volunteer driven organizations designed to provide social and educational events for Elon alumni. We currently have regional programs in the following areas:

Chapters

- Atlanta
- Baltimore
- Boston
- Charleston
- Charlotte
- Chicago
- Nashville
- New York City
- Philadelphia
- Richmond
- Triangle
- Washington, D.C.

Clubs

- Alamance County, N.C.
- Asheville
- Columbus
- Dallas
- Denver
- Forsyth County, N.C.
- Guilford County, N.C.
- Los Angeles
- Pittsburgh
- South Floidea
- Wilmington, N.C.

Don't see your area listed? Visit the Alumni Association website to find a regional alumni contact in your area.

'Welcome to the City' Parties

This August and September, each of our regional programs will host a Welcome to the City Party where you'll have the chance to meet and mingle with other Elon alumni living in that city. Check www.elon.edu/alumni soon for dates and details on these events.

Update your contact information at www.elon.edu/updateyourinfo with your new location to ensure you receive information about these and other events in your area.

Regional Alumni-Intern Networking Socials

In June, several of our regional programs will host networking socials for Elon student-interns and alums located in that region. This will be a great opportunity to meet and network with alums in your region and share tips and advice with current Elon students. The following cities will host events:

- Boston – June 20 – Boston Red Sox Game
- Charlotte – Late June – Whitewater Center gathering
- New York City
- Triangle (N.C.)
- Washington, D.C. – June 13 – BlackFinn Saloon

To sign up for one of these events, please visit www.elon.edu/alumni. Further details will be posted on the alumni site as they are available.

Moving somewhere that is not currently hosting regional programs for alumni? Be sure to check www.elon.edu/alumni for events that are hosted throughout the United States and internationally for Elon alumni.
