

THE PENDULUM

ELON, NORTH CAROLINA • WEDNESDAY, NOVEMBER 6, 2013 • VOLUME 39, EDITION 17

WE NEED
TO SEIZE THIS
OPPORTUNITY
AND RUN
WITH IT.

We're going to put our heads down and we're going to work for this.

**THIS IS THE YEAR
WE WIN THE SOCON
TOURNAMENT.**

We have an opportunity to do something special here.

Beating a BCS program never comes easy but the one thing Elon can bank on is the experience factor.

**NOBODY
OWES US
ANYTHING.**

We're not shy in talking about our dream.

**GREAT
EXPECTATIONS**

We as a team right now have a lot of experience, but we've got a long way to go to get where we want to be in March.

Returning all five

starters gives the Phoenix continuity and great team chemistry.

This is all going to pay off in March.

Our dream is to make the NCAA Tournament. So when we make it, when we walk

through that door having been through that door before, having experienced it the best we can.

We like to play against the best programs in the country.
