#### Homecoming Committee

The theme for Homecoming 1962 is "The Fall of the Indians." Allen Tyndall, Chairman of the Homecoming Committee has everything in full swing to make this home-coming year our most exciting. Mr. Tyndall is aided in his efforts by four sub-committees: flowers, Patsy Cole; parade, Don Arey and Bob Stork; displays, Chuck Jackson and Charlie Sommers; dance figure, Jeannie Fiorito.

The main attractions of Homecoming begin Friday night, October 19, with a pep rally and chariot race. On Saturday morning, Oct. 20, from 9:00 until 11:30 the displays by various campus organizations will be open for viewing. Also during these hours the Alumni will be visiting the campus. The annual parade down Main Street in Burlington will start at 12:30 in the afternoon. There will be first, second, and third prizes awarded respectively to the most deserving floats. The Homecoming Committee is planning something new this year. There will be clowns included in the parade.

At the game which commences at 2:30 in the afternoon against the Catawba Indians the cheerleaders sold Bronze or White Mums Wednesday, Thursday, and Friday mornings. A coffee hour immediately following the game will be held on the campus.

#### Constitutional Revision Committee

The Committee has not met as of this date. The chairman, Jerry Hollandsworth is planning to resign at the beginning of November.

#### Student Affairs Committee

The Student Affairs Committee met for the first time this semester on October 12. The following matters were discussed:

1. The extension of exam week so that only one exam would be given on one day. This would involve the revision of the school calendar. A student poll will be taken in the future concerning this subject.
2. The rule concerning "dressing" for dinner on Sunday nights.
3. The idea of sending to prospective students a form explaining the Honor System and the Honor Pledge, which would require the signature of parents and students before acceptance to Elon. A sub-committee will be appointed to work on this.
4. The lowering of the 2.5 requirement for election to "Who's Who". The SA Committee sent a recommendation to the Dean of the College concerning this.
5. The shortening of classes on Homecoming Day. The committee sent a recommendation to the Dean of the College concerning this.

#### Publicity Committee

The PC has been divided into two sub-committees: The Poster Committee and the Newsletter Committee. These Sub-committees are working in different areas to make students aware of SG activities.

Future plans include the placement of new bulletin boards in the union and Alamance for the use of only SG and a display containing pictures of SG officials.
