

Constitutional Revisions Committee

A meeting of this committee was called last week, but only one member showed up. Therefore, no work has been done as yet.

Honor System Revisions Committee

The chairman of this committee, Ken Lumpkin, had no report.

Entertainment Committee

This committee provided for the Sept. 29 and Oct. 27 dances in McEwen dining Hall, and for the record hops in the Student Union following several of the football games. The Sunday night movies are selected by this committee also. A Christmas Dance is planned for Dec. 15, 1962 in McEwen. Den Broda, Chairman stated that The Entertainment Committee is hoping that these events planned for future dates, will not be in conflict with other interests of the administration, as they have been in the past.

PAN*HELLENIC news

The Pan-Hellenic Council met again to revise the Constitution. The Faculty Committee on Fraternities and Sororities met separately to discuss this revision, and the revision is still in the hands of this Faculty Committee.

Demus Thompson, Pres, reports that much improvement has been made toward a revision. The Pan-Hellenic Council is working to make it satisfactory to the Faculty Committee as well as to the students. Pres. Thompson says that the Faculty Committee is doing more than their job to comply with the Pan-Hellenic Council. He reports that much progress has been made in the meetings with the faculty, altho' it takes quite a lot of work to smooth over these regulations for the fraternities and sororities and much time is being spent on this job. Mr. Thompson says that high praise should be given to Pres. Danieleley, Mr. Baxter, Mr. Hassell and Mrs. Epperson for their patience and willingness in attempting to find a satisfying compromise for all concerned.

GIRLS INTERDORM news

The Women's Interdorm. Council, composed of eighteen upperclassmen members, met for a special meeting on Oct. 23. Nancy Clark, Sr. Pres, presided over the meeting. Mrs. Epperson, Dean of Women, spoke to the council members on the drinking problem. The following statement was issued by the Council:

"The Council frowns upon the use of alcoholic beverages and advises every girl that her use of an alcoholic beverage when a student at Elon College could be looked upon as conduct unbecoming to a lady."

This policy is an attempt by The Council and Mrs. Epperson to cut down on the laxity of drinking on this campus. Under this policy a girl who indulges in drinking is not behaving in the manner becoming to a lady. The Council does not approve of such action but it does not administer the punishment in question as this is under the jurisdiction of the Honor Council.

NORTH STATE STUDENT GOVERNMENT ASSOCIATION

The NSSGA had its fall conference on Oct. 20-23 at Western Carolina College. Because it was our Homecoming Week-end, no Elon representatives were present.

NSSGA meetings are held twice a year at different conference schools. Discussion groups, speakers, and general assemblies based on SG topics are held, and student representatives exchange ideas dealing with SG functions. At the end of each year an award is given to the Most Improved Student Government.

The Spring SNNGA conference will be held on our campus. Elon will also be responsible for printing the spring edition of the NSSGA Newsletter.

FOOD COMMITTEE

THE Food Committee has not met since the last edition. No new developments.

COMMUNITY RELATIONS COMMITTEE

The Community Relations Committee has not met since the last edition. The Committee chairman, Fred Stephenson has informed us that the students of Elon College will not be able to receive special prices at Burlington theaters. He said that the local manager of the theaters in Burlington has contacted the district manager twice in the last month, and on both occasions the district manager refused the request for lowered prices for college students. Mr. Stephenson was informed by the district manager that if Elon College students were permitted lower prices in the theaters, this would be the only college in the country with this privilege.
