

# THE CAMPUS CRIER

"THE VOICE OF THE STUDENTS"

Volume 1

1963

Number 6

## CAMPUS CRIER POLICY

After reading Don Terrell's comments in his latest column, "A Voice from the Corner", in the MAROON AND GOLD, the editorial staff of THE CAMPUS CRIER feels that it should clarify its position and purpose and explain its relationship with other campus publications.

THE CAMPUS CRIER was originated as a newsletter of the Student Government Association to help students become aware of what is being done in SG and to give the students a chance to voice their opinions on aspects of student life.

Before this year, the only publication that carried current events was the MAROON AND GOLD, the college newspaper. This publication is no longer listed in the student handbook as a student publication, and since February 15 of this year, the paper no longer prints the statement, "Edited and printed by students of Elon College." This may be because the only editing done by students is that of the columns written by the editors. The paper lists some twenty-five or thirty reporters of which only two or three per semester do any writing. These students are members of the journalism class.

THE CAMPUS CRIER is published by the students and for the students. The main purpose of the college newspaper is to promote better relations between the college and the students of the 250 schools to which the paper is sent.

In reality, the college publication and the SGA newsletter are not in competition with one another. They serve two different fields. THE MAROON AND GOLD is a publication to promote public relations, as well as a publication to serve the campus in reporting general news.

## Students Meet With Board of Trustees

SGA officials from the three branches of the organization were guests at the Board of Trustees' luncheon on Wednesday, March 6. After dining and talking with the Board members, the students heard a brief talk by Dr. Danielely in which he gave reports as to progress in various fields of the college business. The president mentioned facts concerning enrollment, cost of attending the college, and land values of the institution. He also explained the plans for the fund-raising drive that will take place next year and which will hopefully provide money for development of the physical plant.

This luncheon was held as the opening of the annual spring meeting of the Board of Trustees which is held on the Elon campus.

## GREEK NIGHT HELD

The Pan-Hellenic Council sponsored a Greek Night for the four member fraternities and three member sororities and their rushees on Monday night, March 4. The purpose of the gathering was to give interested students the opportunity to view the groups and to become acquainted with the group members.

Demus acted as the master of ceremonies and several of the groups presented their songs. Refreshments were served and there was music for dancing. The Pan-Hellenic members were each assigned certain duties in carrying out Greek Night and those participating were: Fraternities-- Alpha Pi Delta; Iota Tau Kappa; Kappa Psi Nu; Sigma Phi Beta; Sororities-- Beta Omicron Beta; Delta Upsilon Kappa; Tau Zeta Phi.

\* \* \* \* \*

The staff of THE CAMPUS CRIER expresses deepest sympathy upon the death of Robert James Willis. Robert, who was an Elon College Senior, passed away on Sunday, March 10. He was a Dean's List student, a member of the Pi Gamma Mu honorary fraternity, Alpha Pi Delta social fraternity, and the track team. We sincerely regret the loss of this student.
