

Student Affairs Committee

The Student Affairs Committee held its regular meeting on Thursday, October 10. Mrs. Griffen and Wallace Sawyer were guests of the committee for the meeting.

The majority of the time was spent discussing with Mrs. Griffen the costs of May Court dresses. Mrs. Griffen usually assists the girls with the purchasing of these dresses. After this discussion the Committee agreed to recommend the price of May Court dresses be set at a maximum of \$50 per dress. This will allow each girl to know how much money will be involved before she accepts the nomination of becoming a member of the May Court.

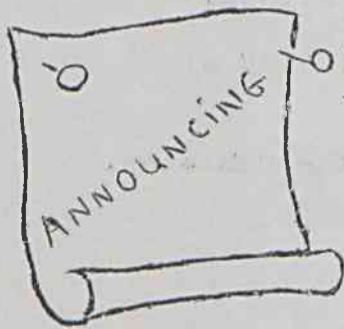

Bob Gwaltney presented some information concerning the honor societies at Duke University. The information was that Duke has two honor societies; one for the boys and one for the girls. Because these are secret organizations, no more information was available.

The members of the committee were to read over the "Summary Sheet" on student participation in campus activities.
