## Students Evaluate May Day Events; Senate Considers Appropriations

According to approximately five hundred students who took part in the evaluation poll on May Day held at the Student Body meeting on February 3, the annual Friday night concert is the favorite of the May Day activities. Second in preference is the Saturday afternoon program and third is the Saturday night formal dance. All three activities involve appropriations from the SGA budget which must be approved by the Student Senate. The sum of \$500 has already been passed by the legislative body for the dance, and bills providing for the remaining appropriations are now under consideration.

The student evaluation poll was the result of action taken by the Senate two weeks ago when a bill was passed calling for a poll dealing with the afternoon activities. President Wally Sawyer did not sign the bill, but instead called for a student evaluation poll to be taken which would give all students the chance to comment on May Day as a whole. After reviewing the results of the evaluation poll, Mr. Sawyer said that he felt it unsatisfactory as a valid indication of student desires, but that he felt there was enough concern on the part of students to warrant further investigation of the matter. (The results of the poll are printed on page 2.)

Mr. Sawyer intends to meet with the Senate committee which has been appointed to study May Day activities. Meanwhile, the Senate is considering two bills--one providing for a sum of \$300 to be given to Mrs. Griffin for the afternoon activities, the other involving appropriations of \$1700 for the concert. (See SENATE NEWS for further details.)

### TART'S NUMBER RETIRED

Willie Tart, honor-winning halfback of the Fighting Christians football team, will add another recognition to his lengthy list as a result of a resolution passed by the Student Senate last week. The Senate, upon passing a resolution written by Senators Mike Herbert and Ken Harper, unanimously decided to recommend to the Administration and Athletic Department of Elon College that Willie Tart's uniform jersey number twenty-five be retired from this time forth, never to be worn again by an Elon football player and that the jersey be placed on display in the college trophy case in recognition of his outstanding accomplishments.

Tart has won honors including his being named to All-Conference, All-District, All-State, and NAIA All-American First Team football teams, and also, he was named the most valuable player in the District and was a Tri-Captain of the football team. Tart has also been awarded the trophy for "the most valuable back" by the college.
