

With The Greeks

Omega News

MRS. GRACE M. PLEASANTS, Alpha Kappa Alpha Founders' Day Speaker.

During the first semester of the academic year 1962-63, Delta Gamma experienced unusual success through the untiring devotions of ten strong OMEGA MEN. Under the leadership of Brother James Herring, our September plans are being carried out to perfection. Our program has thus far been intended for the entire college family's enjoyment and it will continue to be so.

Approximately two weeks following the initiation ceremonies of neophyte brothers Robert Melvin and Hayves Streeter, we culminated our "Scholarship drive project" by raffling off a beautiful radio which was won by Brother Frank Robinson. We express our appreciation to the entire college community in making that project a success.

The Brothers of Delta Gamma are extremely proud of Brother James Herring, Basileus of our chapter and a member of the senior class, who was chosen to represent the Student Government at a meeting in Washington, D. C. Brother Herring, a tactful and tireless worker, looks forward to this occasion with much enthusiasm.

The men of Delta Gamma, Brothers James Rountree, John Smith, Kenneth Travitt, Arthur Knight, Robert Melvin, Hayves Streeter, Henry Mears, James Herring, Larry Hendon and Robert Drake, wish to encourage all students to put their best foot forward in striving to achieve academic excellence in 1963.

Sigma Nine Still In Orbit

The members of Pi Chapter, Phi Beta Sigma Fraternity, Inc., and the newly initiated Brothers Roosevelt Daniels and Paul Gerald, extend a joyous welcome to all students who are entering this institution for the first time this second semester. We hope that all students who had previously enrolled enjoyed a prosperous first semester academically.

Pi Chapter has experienced an enjoyable first semester. One of the outstanding occasions of the first semester was our observance of Founders' Day. This was highlighted by an excellent address by Brother Oliver Eastman, Attorney-at-law, Corona, Long Island, New York.

Pi Chapter has high hopes for the remainder of the school year.

Among some of the coming co-sponsored events are Zetalite Ball, March 9, and the observance of Bigger and Better Business. Our speaker for the Bigger and Better Business Program will be Brother Robert Franklin, Jr., Judge of Municipal Court, Toledo, Ohio. This event will take place on April 21, in the J. W. Seabrook Auditorium.

The Brothers, namely, Roosevelt Daniels, Paul Gerald, Roy Hemingway, John Jessup, Joseph J. Johnson, Marvin Lucas, Sam Maxwell, Sylvester Montgomery, and Jack Sharpe urge all of you to work hard so as to achieve a grandiose success.

Reporter: Sam Maxwell
Advisor: Mr. R. P. Robinson

Alpha Highlights

The members of the Epsilon Zeta chapter of the Alpha Phi Alpha Fraternity would like to extend a very hearty welcome to those of you who are entering this institution for the first time this semester, and to those of you who are returning. May your stay here at Fayetteville State prove both profitable and gratifying.

We would also like to extend felicitations to the newly made neophytes of the various fraternities and sororities, trusting that you will ascertain those uppermost intrinsic values that Greekdom advocates. Keep in mind, however, that our primary objective as Greeks is not superiority, but leadership, and the insatiable desire to project our race and fellow men.

We feel that as you concentrate on the academic side of college life, there is much to be gained from the pleasurable side also. To this effect, we have planned an extensive array of events for the remainder of the school year. These programs, while planned by us, will include the entire student body.

Realizing that it is nonsense to talk of the college years as only a preparation for life, we admonish, not only our fellow Greeks, but the entire student body as well, to join forces in helping to make our four years here at Fayetteville State the most profitable we have ever spent, or will ever spend, knowing that they are part of life—just as much as any other four year period.

The members of the local chapter of the Fraternity are: Calvin Gay, President; Gene A. Powell, Vice President; Frederick Lockhart, Secretary; C. Philip Shaw, Assistant Secretary; J. Vernon Brown, Treasurer; Tyrone Wynn and Fred McAllister, Deans and Pledges; Willie Graham, and James Hawthorne.

Success to you.

Kappa Alpha Psi Other Additions

"Even a Star is known by its lights" — Johnson. Along the road of academic freedom and achievement, there are personalities that reach great heights of success. These individuals exhibit the light of high scholarship. We are proud to feature the following Kappa men:

McLEOD Brother Willis McLeod, Jr.—majoring in mathematics and minoring in Spanish with a 2.22 average, attended the Fifty-First Grand Chapter Meeting of Kappa Alpha Psi in Toledo, Ohio, on December 26-29.

Brother McLeod was a representative for the Mid-Eastern Province as well as Epsilon Beta (local chapter) of Kappa Alpha Psi.

Brother Jesse Williams was recently appointed to the seat of presidency of our Student Government. Brother Williams, a Junior—majoring in biology and a chemistry minor with a 2.51 average, was also recently elected to

WILLIAMS Who's Who in American Colleges and Universities.

Epsilon Beta is proud of five young men who are now Scrollers of Kappa Alpha Psi. They are as follows: Lynwood Hill, junior; Dewey Toone, Sophomore; James Furney McMillan, Sophomore; Rosewell Whitaker, Junior; and James Russell Williams, Sophomore.

Currently, the following Brothers comprise the Epsilon Beta Chapter of Kappa Alpha Psi:

Polemarch, Jesse Williams; Vice Polemarch, Norwood Mazingo; Keeper of Records, Willis McLeod; Keeper of Exchequer, Willie Sessom; Fred Ellis, Paul Jackson, and James Clarence Davis. Advisor, Major Wilmer C. Marvin.

The Chapter (Epsilon Beta) plans two big events of the year, a Spring Ball and a chapel program climaxing Guide Right Week.

Among new Faculty Members are Mr. Pierre F. Cornell-d'Echert and Mrs. Brigitte M. N. Tay.

dent Loan fund. Under the plan of operation for this Fund, any North Carolina boy or girl who wants to go to a college in North Carolina and who is accepted by a North Carolina college or university, may apply for loans of \$500 annually, such loans to be repaid with interest following graduation.

A loan of \$500 will not cover the total annual cost of a college education, but it will be helpful; and perhaps, if the student lives at home, will be entirely sufficient. What better financial investment can a young boy or girl make, even if the entire cost is borrowed, then a return of \$29.00 for each \$1.00 invested.

—North Carolina Public School Bulletin

The VOICE staff, with others of our College Family, extends warm greetings to those persons who have recently come to aid us in our quest for knowledge.

NEW FACULTY MEMBERS

Mr. Pierre F. Cornell-d'Echert, French teacher.
