WELCOME "NEW" STUDENTS

As vice - president of the Student Government Association, at Wayne Community College, I am honored in welcoming you to our school.

You have made a very wise decision wanting to further your education, and with the excellent faculty and staff at W.C.C. this is the place to do it. We are proud of our ever growing school and you will find, just as I have it is the friendliest place, you'll know. As a member of the SGA I would like to see every one of you take an active part in the Student Government. Our first school gathering will be an Orientation Dance to be held on Friday night, September 12; think you will enjoy it very much. So get on the ball second year men; we can't let the Freshmen show us up as we showed up the Sophmores last year when we were Freshman.

Enough of the "ball"; all in all, I think you, as a new student, will find W.C.C. a very likeable and enjoyableschool; why with all the SGA has in store for you, I'm not even sure that you'll find time for the other (off campus) gatherings.

Thank you very much for taking your time to read our newspaper; we are very proud of it as we are of everything else here at school. "People," W.C.C. is the Students School. The Student Union makes or breaks it. How about your support?

Cordially Yours,
Michel W. Powell
Vice-President SGA

BULLETIN BOARD

The Bulletin Board outside the student lounge has been designed for use by the students and staff for the purpose of leaving messages to students. The message should be pinned under the first letter of the last name. Students are advised to check the board each day. Please leave the pins on the board when the message is removed. No message may remain on the board for more than two days.

What would WCC be like if students parked only in parking spaces reserved for students?

What if the playing cards in the lounge were misplaced?
