

BUDGET BREAKDOWN

ATHLETIC COMMITTEE

To the Athletic Committee the Budget Committee recommends a total allocation of \$3430.00 with \$3000.00 to basketball and \$215.00 each to golf and tennis.

The Budget Committee realizes the importance of intercollegiate sports and its impact throughout the community. In support of an outstanding athletic program, the Budget Committee feels this amount is justifiable. Since the current season is the college's first in intercollegiate competition, the athletic programs will have to begin from scratch and any monies allocated and not used will be returned to the SGA general fund. In addition any gate receipts will also be returned.

CHEERLEADERS

Realizing the expenses paid by the cheerleaders for their uniforms the Budget Committee recommends that \$130.00 be appropriated to supplement cheerleading activities. This sum will include the purchase of pompoms and sweater emblems which will be retained by the cheerleaders at the end of the year. In addition, two megaphones will be purchased and will remain the property of the SGA. To create more school spirit and to help initiate a pep club the remaining funds will be used for purchase of sundry items to be sold by the cheerleaders. Revenue from sales of these items will be used by the cheerleaders to defray expenses with the exception of \$50.00 which will be returned to the SGA general fund.

COFFEE HOUSE COMMITTEE

An appropriation of \$600.00 is recommended for the coffee house, with the option of \$220.00 in additional funds, if available, at a later date. Understanding the varied interests of the students the Budget Committee supports the Coffee House Committee proposal to bring new and different attractions to the college campus.

COMMUNICATIONS COMMITTEE

The Budget Committee, realizing the problem of communications, recommends an appropriation of \$218.00 for the Communication Committee. This amount will include the purchase of necessary communications materials and outside bulletin boards as requested by that committee.

INTRAMURALS

For the Intramural Committee the Budget Committee recommends the appropriation of \$100.00. This amount is to provide trophies for all intramural activities as recommended by director of the intramural program.

The Budget Committee feels that the intramural program will provide an opportunity for all students to participate in varied activities. Trophies will provide incentive for greater participation by the students in the extracurricular activities.

NEWSPAPER

An appropriation of \$1,047.00 is recommended for the Wayne Communique. This amount will cover eight monthly editions for the remainder of the year and also membership to the Intercollegiate Press. This committee feels that the publication will be an asset to the students as a means of communication and to the college for public relations within the community as well as other agencies. Investigation by the newspaper staff has assured pro-

fessional publications can be printed within this proposed budget.

PHI THETA KAPPA

The amount of \$75.00 is recommended to be appropriated to Phi Theta Kappa. In accordance with the request of this committee, the Budget Committee recommends that \$50.00 be used for national initiation fees and expenses with the remaining \$25.00 to be used for other necessary materials and expenses.

RECEPTION COMMITTEE

Recommendation of a \$50.00 appropriation is proposed for the Reception Committee. The Budget Committee recommends that these funds be used for light refreshments and other miscellaneous items in greeting important visitors.

STUDENT ACTIVITIES COMMITTEE

The Budget Committee recommends an appropriation of \$3045.00 for the activities committee with an optional \$370.00 if funds are available at a later date.

These funds will be used for five dances and two cookouts as proposed in the budget request of the activities committee. In the past this type of activity has proved to be the most popular for all students.

STUDENT GOVERNMENT ASSOCIATION (Administrative Expenses)

An allocation of \$100.00 is recommended for administrative expenses of the SGA. This will include items such as SGA stationery, journals and ledgers, visits to other college campuses and other expenses of this nature. The Budget Committee feels that \$100.00 is a reasonable amount for such expenses.

STUDENT LECTURE SERIES

The sum of \$400.00 is recommended to be appropriated for the Student Lecture Series. In the event that a nationally renowned speaker can be engaged, an additional \$300.00 is at option to this committee with the understanding that tickets would be sold to the general public with the stipulation that ticket receipts be returned to the SGA general fund.

STUDENT UNION COMMITTEE

An appropriation of \$25.00 is recommended for the Stu-

dent Union Committee for various and sundry items which may occur during the coming year. This small sum is recommended due to the fact that plans are being made for a new student union.

YEARBOOK

The Budget Committee recommends the appropriation of \$2,986.00 for production of the 1970 insight. All monies collected from the sale of yearbooks and advertisements will be deposited in the SGA general fund.

WCC Final Exam Schedule

Fall, 1969

EXAM TIME	Thursday Nov. 20	Friday Nov. 21	Monday Nov. 24	Tuesday Nov. 25
8:00 - 9:50	9:00 T-TH	8:00 T-TH	10:00 T-TH	2:00 T-TH
10:00 - 11:50	9:00 M-W-F and/or daily	8:00 M-W-F and/or daily	10:00 M-W-F and/or daily	2:00 M-W-F and/or daily
1:00 - 2:50	12:00 M-W-F and/or daily	11:00 T-TH	1:00 T-TH	other M-W-F and arranged
3:00 - 4:50	12:00 T-TH	11:00 M-W-F and/or daily	1:00 M-W-F and/or daily	other T-TH and arranged

1. The period November 20, 21, 24, 25 has been reserved for final examinations. Regular classes shall continue through Wednesday, November 19.
2. All final examinations shall be a minimum of one hour, a maximum of two hours, in length.
3. Each instructor will prepare a published exam schedule for each course from this master schedule.
4. Any difficulties in compliance with this schedule will be brought to the immediate attention of the Dean of Faculty.
5. Grades must be turned in to the Registrar's Office within 48 hours except for examinations scheduled on Tuesday, November 25. Those grades must be turned in by 9:00 A.M., Wednesday, November 26.

Your girdle's doing what?

Forestry Club

The Forestry Club is expecting its biggest season this fall. Earlier in the year we elected John Hurdle as president, Larry Stump as Vice-president, Jay Corum as treasurer, and Alan Matthews as secretary. We were inactive during the past summer quarter, but this fall we are off to a good start.

During the first meeting, on the 16th of September, six new members were brought into the club. The question was raised concerning past Forestry Club members who had transferred into the Fish and Wildlife curriculum. Anyone in the Agriculture Department may now become a member, but only those in Forestry may exercise voting privileges. Also during this meeting, a club flag-football team was organized by Larry Stump.

The second meeting was the 8th of October during which thirty-eight new members were inducted. Various projects were introduced and left open for discussion. These projects

include the gathering of seed cones for the State Nursery, the beautification of the grounds of a local school, and the entering of a car or float in the Cherry Hospital Christmas Parade.

At our latest meeting on October 22, Fran Davis was elected Forestry Club Queen and will represent us in the Christmas parade. After the meeting, we saw a very interesting film on hunting, "Bay At The Moon", supplied by the entertainment chairman, Dave Faircloth. At this meeting, our new members increased to a total of forty-six.

We hope to see all our members at the next meeting and any of you who would like to join the club. -- Robert Kaylor, Forestry Club Reporter.

The Wayne Communique is in need of persons that have worked with layout or those interested in learning how to layout a newspaper. See the Editor or one of the Advisors (123)

Diesel Mechanics

The diesel mechanic students and their advisor, Mr. Bob Braswell, from Wayne Community college were warmly welcomed by the Central Mack Trucking Company at Raleigh, Wednesday, November 6, 1969. Although there was a slight bit of confusion trying to find their new location, the trip turned out to be very enjoyable and educational for everyone.

Upon arriving we were welcomed by the president of Central Mack who chose three guides to show us their company. The tour carried us first into the parts department. Here we learned how the books were kept up to date and how to find any specific part out of the many hundreds that must be kept on hand at all times. Leaving the parts department we toured the shop and later the injection room. Here we were given a detailed lecture on the operation of the diesel injection pump which is the heart of any diesel engine.

At twelve o'clock we were invited to be their guests at a very delicious barbecue lunch. Everyone had more than enough

to eat. After lunch we toured other areas of the shop. We were given a demonstration on the operation of the dynamometer. This machine actually checks the performance of an engine under highway conditions.

After seeing the company and talking with the plant employees several students became interested in working with the company upon completion of their mechanics course.

BLEED-IN

(Continued from page 1)

his donation. WCC is striving for 350 pints this year. We need your help to reach our goal. Individuals or student organizations interested in helping with the Bleed-In should contact Mike Powell or a representative of the SGA. Our SGA president, John Sullivan, is a member of the local Board of Directors of the American Red Cross, which is the sponsoring organization for the Bleed-In.
