History of Drugs

The information on this page is reprinted from a booklet entitled "Your Decision" compiled by the Pinellas County Sheriff's Department, the St. Petersburg and Clearwater Police Departments, the Pinellas County Board of Public Instruction, the Junior Board of Directors of the Gulf Coast Tuberculosis and Respiratory Disease Association, Inc., and the Pinellas County Medical Society.

SECOND IN A SERIES

Drugs were known 5,000 years before the birth of Christ. Hippocrates the great Greek physician in the fourth century B. C. recommended the white poppy juices for a number of illnesses.

A small amount of narcotics started in America even before the founding of the Republic. By the late 1800's the figures started to rise; by 1915 one out of 400 was addicted, roughly 200,000 addicts. In response to this increase the Harrison Narcotics Act was enacted by Congress in 1918. The figures have dropped to about 60,000 known addicts today.

Narcotics and drugs are a big business, being linked with organized crime such as the Mafia. In this wake of traffic lie thousands of tortured, de-proved, and dying human beings who stand mute testimony to the destructive forces of drug addiction.

The Editor and Staff of the Wayne Communique would like to thank the Chief of Police of St. Petersburg for giving permission for the above and following articles to be reprinted from the booklet "Your Decision."

Waller's Wisdom

by Dean of Students

Christmas season is here. Vacation from school, parties, friends, home, gifts exchanged and for some of us, part-time work.

This is a happy time of the year. We should all enjoy Christmas. But, let's make sure that it is a safe Christmas. Use mature judgment in your actions and decisions during the holidays.

I want to wish you all a very Merry Christmas, and let us all not forget the true meaning of Christmas.

Parking at WCC

Due to our limited parking facilities we ask that you observe the following:

1. Park in designated areas only;
2. Head all vehicles into spaces;
3. Park inside yellow lines (where marked);
4. Do not park on grass at any time;
5. Park all motorcycles in designated areas only;
6. All vehicles are to be registered on campus;
7. All vehicles are to display stickers;
8. Visitors may pick up parking permits from the receptionist if they are on campus for a period of time;
9. Only visitors are to park in area marked for visitors;
10. Observe one-way signs;
11. Only staff are to park in area designated for staff;
12. Towing law enforced on campus at owner's expense.

SGA Speaks

As we bid farewell to the fall quarter with mixed emotions a new quarter begins. Winter quarter; possibly the most exciting time during school. Thanksgiving dinner is still a fresh memory. People seem to be friendlier as the holiday season nears. Local stores decorate and the city dresses its streets in Christmas lights. The once crisp-morning, warm-afternoons of fall have turned into full-time cold days. Gray skies provide a fitting background for students as they hurry from building to building. The cold weather seems to give students an excuse to walk closer together, and the holiday cheer adds its own little bit to romance in the making.

The Christmas dance, sponsored by the SGA, brought out students in their best dress. Swinging to the music of the "Hash" of Fayetteville, everyone had a great time. The Bleed-In too, had the participation of many students December 9.

As the Christmas holidays approach the Student Government Association sends its sincerest wishes to the Student and faculty of WCC. Have a safe, happy holiday.--John Sullivan, President, SGA.

WHAT'S NEW WITH BONNIE IN THE BOOKSTORE?

Sweat Shirts, \$2.27; WCC Jackets, \$4.60; WCC Emblems, \$1.55; WCC Mugs, \$2.06; WCC Laundry Bags, \$1.60; WCC Decals, \$.26; WCC Ash Trays, \$.42; Tee Shirts: Long Sleeve, \$2.27; Short Sleeve, \$2.44.

Parking tickets are to be taken care of within forty-eight hours or action will be taken by the SGA Honor Committee.

Courtesy, Please

On Thursday, December 4, 1969 a very uncalled for incident took place on our campus in front of the B. building. Mrs. Lancaster of the Learning Lab was pushing Jeanie Pierman to one of her first classes. Jeanie is attending her classes in a wheelchair. As Mrs. Lancaster approached the building with Jeanie, she was obviously unable to lift Jeanie up the few steps alone. Several young men walked right by them without the common decency to offer to assist them. Just how much of one's time does it take to help lift a wheelchair to the top of the steps???? Mrs. Lancaster had to ask one of the boys that passed by the help her.

PLEASE! Let's show a little courtesy and prove that we are total gentlemen when the occasion arises.

Beginning of New Quarter

Wayne Community College expects to register more than 1,000 people in the Evening Program this quarter.

A class in Sewing Machine Mechanics has begun process in Fremont with classes being held at the Friendship school. Enrollment in this class has reached 34 as of the present date. The purpose of this class is to train people to work with the needle industry in Wayne County to keep sewing machines operating.

Plans are almost complete for a class for Adult Education Instructors. The purpose of this class is to give additional training for these instructors. The very newest in teaching techniques will be employed through the use of the Victor-Electrowriter. This device allows instructors on the campus of North Carolina State University in Raleigh to teach this class on our campus with a two-way oral communication between student and instructor. Visual communication (of writing) will also be possible.

Sign Language for parents and friends of deaf-mutes is planned to begin immediately. Instructors will be employed from the School for the Deaf in Kinston. There will be no charge for this class.

Gourmet Cooking is scheduled to begin in January. It is expected that this class will use an international menu with a different dish from a different country to be prepared at each class.

Electric Wiring and Electric Motor Control will begin at the Mount Olive Pickle Company on Tuesday, January 6, 1970 and will meet each Tuesday and Thursday evenings from 7 to 10 p. m.

Conversational German begins December 8, 1970 at Seymour Johnson Air Force Base.

Advanced ceramics will begin at Mount Olive on Tuesday, January 6, 1970 and will meet weekly on Tuesday from 7 to 10 p. m. Beginning Ceramics starts on January 8, 1970 and continues on Thursday evenings at the same hour.

Driver's Education is scheduled to begin at Mount Olive on January 6, 1970. A charge of \$16 is made for this class.

A Pilot Ground School course will begin on campus Monday, January 5, 1970 and will meet weekly on Monday and Wednesday evenings.

Plans are now incomplete for a class in School Food Service Training for managers of public school lunchrooms. The course will begin in early January but the exact date has not been set.

Business Dept.—Jan. 12-16	Business Week
WCC Basketball—Jan. 14	Beaufort (home)
WCC Basketball—Jan. 17	Wilkes (away)

Please Return the Same

Dear Daughter, tonight as you leave on your date you look so beautiful, so sweet, so innocent But I wonder as you leave, Dear Daughter will you return the same.

In this world of "grass," "booze," and "X-rated movies" Dear Daughter, will you return the same?

Tonight, Dear Daughter, hope you have an enjoyable evening, an evening that will be memorable, forever; And remember enjoyment can come in many ways, Dear Daughter, so please return the same.

There are, believe it or not, many good and respectable times.

Dear Daughter, please return the same.

Many young people, Dear Daughter, depend on "grass" or something else to excite them.

You are intelligent and can do better, Dear Daughter and you can return the same.

Fun can be found in many good and honorable ways. Dear Daughter, you can return the same!

—J. Anson

Counseling Services

Counseling and guidance services are offered at Wayne Community College under the leadership of the Dean of Student, Bob Waller. There are four counselors: William Siler; Lee Edwards; William Frazier; and Mrs. Susan T. Collins.

Our counseling program is provided to help each student in any social, personal, academic or vocational difficulty he may encounter.

I. Q., personality and aptitude test, interest inventories, educational, and occupational materials are available.

The Dean of Students and counselors welcome you to visit their offices whether you have problems or just want to drop by for a chat.

Christmas Gifts

The freshman dental hygiene class will be selling Christmas earrings and pins for the month of December. These may be bought in a set, consisting of the earrings and pin or they may be purchased separately. The earrings and pins are shaped like a Christmas tree with various colored balls adorning them. The earrings are for pierced ears, as well as for non-pierced ears. The freshman class is especially proud to sell these because Mrs. Charlotte Berry, our dental instructor made them. They will make perfect gifts for the Christmas season.

Evening Extension classes announce a record on-campus enrollment of 1,202 students for the Winter quarter.

ETE Sweetheart

Members of Sigma Tau Sigma Fraternity are pleased to announce their choice of the fraternity sweetheart for the 1969-70 school year.

Out of three lovely girls competing for the honor, the members selected Miss Deborah Sue Walton, a second year dental hygiene student.

Miss Walton, a charming brunette with beautiful green eyes, hails from Kinston, N. C. She will graduate this June as a dental hygienist.

Recently the new sweetheart, accompanied by two members of the fraternity, participated in the annual Christmas Parade for the benefit of the children of O'Berry school. The fraternity is proud to have such a fine representative for the fraternity from the school.

Wayne Community College Students who show ID cards at the Western Steak House and Holiday Inn will get a 20% discount on anything ordered on the menu.
