

## Health Skills

In recent years the demand for health services has been increasing, and shortages of health personnel continue to be critical. Wilkes Community College in cooperation with Wilkes General Hospital is providing training in two of the most critical areas: Practical Nursing and Personal Care and Family Aide.

## Game Results

The results of the game between North High All-Stars and the WCC Cougars are 75-74 in favor of the All-Stars.

The Cougars had expected more support from our students.

Good living includes a balanced life, devoted to work, culture and recreation.

## Auto Mechanics

The Automotive Mechanics night course is in the second quarter with ten students enrolled. The instructors, R. C. Martin and Roger Brown are teaching electrical and fuel systems. The class has a lot of shop work, which is a good way for the students to practice what they have learned.
