### W.C.C Snowbound

Tuesday, November 12, 1968 Wilkes Community College was closed until noon, much to the discontent of its eager students. The largest voice of protest was heard from the highly ambitious humanities students who missed being tested on their knowledge of revolution. However, classes resumed later in the day to bring a few endowing moments to thirsty young minds.

This white miracle called snow came gentle on cats feet late Monday afternoon and later that same night to cover the Wilkesboros in a three to four-inch blanket. The above picture is typical of the areas submitted to this

particular type of precipitation last Tuesday.

Besides Wilkes Community College, all Wilkes County, Wat-uga County, Avery County and Ashe County public schools were closed.

Judging from the amount of snowfall last Tuesday, this coming winter promises to be one of heavy precipitation which will probably result in the closing of many schools for a comparatively lengthy duration of time. We can only hope that Wilkes Community College is not one of these schools.

### Sophomore VP to Face Run-Off

On November 14, 15, and 18th the Freshman class of Wilkes Community College held an election to select class officers. The election was conducted by the Student Government Association and ballots were cast in all Freshman English classes.

The final outcome was made known by Mr. Don Redding, sponsor of the SGA.

Dennis Bare was elected class president, Roger Richardson was chosen vice president, Anita Shepherd won the post of secretary, and Steve Foster became treasurer.

The race for vice president of the Sophomore class was declared too close to call by the SGA. Only a few votes separated the fore-runners - Molly Winkler, Paul Hubbard, and Larry Handy. A run-off election will be held in the very near future to decide who will be the new Sophomore vice president.

**CIRCLE K CLUB SWEET-HEART**—Miss Gwendola Joines is pictured above being told that she is the duly appointed, official sweetheart of the Circle K Club. Terry Ireland breaks the news to her, much to her delight. The Circle K couldn't have chosen a sweeter sweetheart.

### Circle K Officers

The Circle K Club chose Bill Warren, Floyd Rogers, Larry Handy, and Randy Absher to be its representing officials. The above pictured boys will preside over all Circle K functions for the 1968-1969 school year. The Circle K should be well led and represented by the election of these fine young men.
