## Cougars Get Slow Start In Conference

The WCC Cougars started the season with a bang by beating Winston-Salem Business College by a score of 68-67. Since then, calamity has struck as our school has run up against teams that have had much more playing experience and possibly more time to get themselves together as a team. Davidson showed a great deal of strength as they outplayed the Cougars to the sour tune of 57-76. Junior Jackson and Frank Saunders lead the scoring with 17 and 13 respectively. Jackson and Clyde Atwood were high scorers in the first game with Gaston Community College. Atwood had 15 points and Jackson, 14. The final score in that game was 56-85. The second game with Gaston found Gaston with a 56-point lead when the game ended. Jackson was top scorer in that game.

In the two games with Surry Community College the odds were a little more even. Jackson and Saunders led in baskets to hold their rivals to a 7-point victory point lead in the second.

Our Cougars popped into the victory circle again when they defeated Winston-Salem Business College in another round by a score of 68-65. Jackson and

## Golf Course Is Planned

WCC is soon going to have its own golf course. According to Dr. Thompson, the twenty-five acre tract along the Old Moravian Creek will be the site of the golfing facility.

There will be one par four, 240-yard hole, south to north and one par four, 450-yard hole, running north to south. There will also be a 90 by 120-yard putting green and a 90 by 120-yard pitching green.

The four golfing areas will allow one full physical education class to participate at a time. The course will be completed by a driving range and scenic lake.

Work will begin on the golfing facility in the spring.

Horton were high with 18 and 12 respectively.

The Cougar Cry offers its best wishes to the Cougar Basketball team, and we ask your support in helping to make ours one of the best ball teams in the conference.

Students are urged to go out and support our Cougars and cheer them to victory.

A match is a little thing but it can begin a big fire.
