REF. WHERE ARE YOU?

Cougars Roll Past CVTI

The Wilkesboro YMCA was the scene of a basketball game on Thursday, February 3, when the Cougars met and matched wits with CVTI. The outcome was an impressive 71 to 56 victory for the Cougars. During the first half, it was a neck-and-neck battle for control of the ball, with neither team gaining complete control. However, the third quarter saw the Cougars establish a ten-point lead and keep it throughout the remainder of the game.

Junior Jackson played an outstanding game, performing an excellent job of shooting and rebounding. Roger Billings and Dale Myers both did a fine job of guarding and rebounding.

At the time of this article, the record for the Cougars is ten won and nine lost. The COUGAR CRY would like to remind sports fans that the NCAA Tournament will be played in Kinston, so all who can, come on and support your team.
