Students We Welcome You

Meet The President

BY DONNA CARDWELL

Dr. David E. Daniel is our President at Wilkes Community College and, judging by his performance since being appointed July, 1977, he is also an outstanding one.

Dr. Daniel is co-author of "Profile of Student in North Carolina Community Colleges and Technical Institutes" and has written many articles for educational journals. Prior to his selection as WCC president, Dr. Daniel was Dean of Instruction at Isothermal Community College in Spindale and Administrative Vice-President of Louisburg College.

He is also active in community and church activities.

The president received a Bachelor of Arts Degree at Furman University. He earned the Master of Divinity Degree at Colgate Rochester Divinity School, and the Doctor of Education Degree at North Carolina State University.

Dr. Daniel is married to the former Ivor Gayle (Dee-Dee) Blanton of Gaffney, South Carolina. The Daniel's have one son, Jody, graduate of Glade Valley School.

Upon accepting the appointment of WCC President Dr. Daniel stated, "Wilkes Community College is one of the outstanding community colleges in the state and region. My family and I are indeed fortunate to have this opportunity. We are excited about our responsibilities and about being citizens of the "Great State of Wilkes".

"Got to have one of my teeth extracted," said the fat man to his dentist.

"Which tooth?"

"My sweet tooth."

President's Welcome

BY DR. DAVID E. DANIEL

Welcome to Wilkes Community College! Everyone who works here has anticipated your arrival and is anxious to be of assistance. Here you will find open doors, many opportunities, and new friends. We hope that you will take full advantage of these days at Wilkes Community College. We have several new programs which are already enriching our program offerings. Human Resources Development and Cooperative Education began operation on July 1. Students who are working full or part-time should see Donalee Davis about Cooperative Education. This program shows students how to earn academic credit while working in jobs which are related to their program of study.

The Technical Arts Building is a fine addition to our physical facilities. During the summer many of our personnel have moved to other locations as a result, occupying the new building.

Your academic success is extremely important to your future. It is very necessary that you make the appropriate investment

of time in study and preparation. I assure you that if you work diligently, the rewards will follow with dispatch.

Again, welcome! This is your community college. We of the administration, faculty, and staff exist only to serve you. We believe that you made a wise choice in coming to Wilkes Community College.

Auditions For Hamlet Set For September 6-7

Auditions for the College Theatre's Fall production of William Shakespeare's "Hamlet" will be held September 6 and 7 from 7 until 9 pm in the Teaching Auditorium in Thompson Hall.

Bud Mayes, Director of the College Theatre, stated that no special preparation is necessary for the auditions. Actors, actresses, and dancers are needed. There are many male roles to be filled.

Copies of "Hamlet" can be (Continued on Page 2)
