WCC COUGAR

SGA News

The Student Government Association has thirty members including the clubs here at WCC. With this big of a turn out the SGA is doing more because we have more members. The SGA had a variety of different people with different interests. We have representatives from the Math Club, Yearbook, Newspaper, Ye Hosts, Phi Beta Lambda, Ebony and Circle K. Some of the members of SGA will be attending a convention in Charlotte, N.C. Oct. 31, Nov. 1, 2, and 3. We hope that we will be able to find out what other Community Colleges are doing in their schools so that we might get some new ideas for the WCC student body. We would also like to hear what the students here would like to see done on our campus. The activity fee that each student pays goes into the SGA budget. The students have a voice in how the money is spent if they speak up

and say what they want to do. There is an SGA suggestion box outside of Student Services; we would like to hear from you. We hold our meetings every Tuesday at 12:30. The meetings are open to anyone that would like to attend, we hope that you will take the time to stop by and let us hear your ideas.
