To you, the new and returning students of Wilkes Community College, a very warm welcome. The entire college staff is excited about your arrival, and we are willing and anxious to help you in every way possible. Together, we are looking forward to a year of great accomplishment.

Your decision in selecting Wilkes Community College as your school is a wise one. You already have seen that our facilities are both excellent and beautiful. In a short time, you will know also that our faculty is well-qualified, of the highest quality, and eager to serve you. The final ingredient needed to make great things happen is provided by your presence.

Also, give appropriate time to your studies; your academic success is extremely important to your future. The benefits of hard work will be realized as long as you live.

Do not hesitate to call on the administration, faculty, and staff when you need assistance because our purpose and goal is to serve you. Again, welcome to WCC!
