### Get Involved With Your S.G.A.

The Student Government Association (SGA for short) of Wilkes Community College is designed to promote the general welfare of the college in a democratic fashion and to facilitate communication between the student body, the administration, and the faculty. The SGA provides avenues through which students can promote interest in student activities on and off campus. So why shouldn't you get involved?

The annual Student Government election will be held the last two weeks of April, 1982. At this time all officers of the SGA and Sophomore Senators shall be elected. If you will be a returning student in good standing, have a cumulative grade point average of 2.25, can maintain a grade point average of 2.00 while in office, and will be carrying twelve (12) credit hours each quarter during your sophomore year, then you are eligible to hold office.

The SGA needs good people, who will be dedicated and willing
