The Fall quarter is coming to an end and the Student Government Association is beginning another active year. On October 13 and 14, Freshmen class elections were held. The class officers elected for 1982-'83 were: Jeff Rhodes, President; Cathy Walton, Vice-President; Alison Bowers, Secretary; Billie Jo Scott, Treasurer. Six senators were also elected: John Anderson, Sharon Bauguss, Denise Burks, Jeff Mitchell, Elaine Parker and Ronnie Spicer.

The Fall NCCCCSGA Convention was held on October 27-30 with Wilkes sending eight delegates to the annual conference.

On November 18, the SGA is sponsoring a dance which will be held in the WCC gymnasium. Phenix, a popular top forty band, will perform from 8:00 until 12:00. Students will be admitted free. We express our invitation to everyone to come out and have an enjoyable evening.

"You Are There: Colonial America"

A travel-study course entitled "Colonial Literature, You Are There" will be offered this month at W.C.C. Evening seminars will be held on November 2, 9, and 16 in Room 850 of the Technical Arts Building. The instructor, Dr. Essie Hayes, will introduce writings of the colonial period including those of Captain John Smith, William Byrd, Thomas Jefferson, and Patrick Henry. Students may receive three hours of college credit by attending.

The highlight of the course is a special 3-day tour from November 12-14. Historic sites in Jamestown, Williamsburg, Charlottesville, and Charlotte County, Virginia will be visited. On-site lectures by local scholars are already scheduled. Students may participate in the travel course for a cost under \$150, which includes registration fee, transportation, lodging, and a couple of meals.

The travel-study program, offered here for the first time, is designed to combine research, on-site instruction, and fun. For further information concerning the course, students may contact Jane Ogburn, the Study-Travel Coordinator.

The staff's goal is to improve the yearbook from last year, and many changes have been made. This year's annual will have an index in the back listing the page numbers of all pictures of each and every student here at WCC. Also, for only two dollars extra a student can have his or her name printed in silver on the cover of their yearbook. A main objective of the staff this year is to represent everyone by attempting to include at least one candid picture of every student in the yearbook. The Staff has already been working very hard to make the 1983 Cougar the best yearbook ever published here at WCC.

Scholarship Bank Announces New Sources for Private Financial Aid

Students looking for supplemental private scholarships, grants and loans should be pleased to learn that there are over 1,350 new scholarships available through The Scholarship Bank.

According to the director of the private search service, these scholarships are primarily for undergraduates, although graduates may also apply. Many of the sources are renewable annually, according to the director. Scholarships are available to students in business, liberal arts, humanities, law, sciences, and hundreds of other majors. Students are urged to apply in the Fall for these sources as most applicants apply in the Spring when most of the financial aid is used up.

The Scholarship Bank cooperates with college financial aids offices and does not duplicate their work, which is concerned mostly with public sources of aid. Students may get further information from The Scholarship Bank by sending a business-sized, stamped, self-addressed envelope to the Bank at 10100 Santa Monica Blvd., #750, Los Angeles, CA. 90067. There is a modest charge for the individual search for each student.

For further information see Mr. Larry Caudill in Student Services.

Polka, Loewe's Selections from My Fair Lady, and Sousa's Stars and Stripes Forever.

Tickets for this performance are \$6 for adults, \$4 for senior citizens and students and \$2 for children, and are available at the door on the night of the concert.

Please order your yearbook before Dec. 1, 1982, by going to the business office and making a deposit.

LORELEI WILLIAMS

Student Profile: Lorelei Williams

Lorelei Williams is the daughter of Savannah Williams and she resides in Route 2, North Wilkesboro. She is a freshman here at WCC and enrolled in the College Transfer program of Associate in Science. When finished here, she is considering making her transfer to North Carolina State University, but she has not totally decided as of yet. As for her major, she is decided between working with computers and writing.

Lorelei graduated from North Wilkes High School in 1976 and after that she worked for 6 years at Lowes Company. She has always been active in school and community activities. While in high school, she participated in track, the CYO (Christian Youth Organization), intramural sports, and she was drum majorette her senior year. She was also involved in the Junior Miss pageant where she performed a ballet routine. She is presently the youth choir director at Oak Grove Baptist Church on 268 East, and here at WCC, Lorelei is president of the BSU (Baptist Student Union) and an editor of the Cougar staff.

Lorelei also has many hobbies and past-times. She loves all sports and all outdoor activities, including hiking, fishing, swimming and water skiing, motorcycle riding, softball, volleyball and dancing. In the past, she has done a lot of traveling including a trip overseas for one month. She loves to travel and experience new adventures. She even tried parachuting once. When asked if she liked it, she replied, "I'm glad I did it, but I wouldn't do it again."

This summer she had the time to go tubing, canoeing and taking walks with her collie, but recently, she reluctantly admits, her time has been devoted to her studies and the yearbook. Lorelei is a very friendly and interesting person, and I suggest that if you haven't met her, you make a special effort to do so before you leave WCC.
