Kim Fitzgerald

STUDENT PROFILE

Kim Fitzgerald is the daughter of Samuel and Dorothy Fitzgerald of Wilbar. She is a sophomore at WCC, and enrolled in the college transfer program of Associate in Arts. Kim is a 1981 graduate of West Wilkes High School where she received a letter in chorus, a position on Who's Who, a membership in the Beta Club, and the position of marshall at graduation her junior year. Here at WCC Kim is a member of the Baptist Student Union for which she recently hosted a fun filled day including a hike in the mountains, a picnic, and a marshmallow roast all which took place near her home in Wilbar. Kim has held several honors during her stay at WCC. Last year she was chosen to participate in the graduation as a marshall. During her second year, Kim has been selected as a member of Who's Who in American Junior Colleges, and she was elected Maid of Honor at the homecoming elections in January. Kim also works part-time at the library here at WCC on a work-study program, and she is a Sunday School teacher at Union Baptist Church.

Kim is originally from Washington, D.C. from which her and her family moved here in 1976. Between the two, Kim openly admits that N.C. is her favorite because of her passion for outdoor life. Among her hobbies are hiking, canoeing, fishing, bicycling and jogging. She also enjoys reading, listening to classical music, and playing the piano.

Kim has a very positive and appreciative outlook on life. She thoroughly enjoys being with her family and, she is sincerely thankful for the love and support that her family has given her. As she pointed out, "If a person has both God and a good family, then they can get through anything." Not only does Kim have an encourageable view of life itself, but she projects this view onto those around her.

If you don't meet Kim before you leave WCC, you will miss knowing someone with an outgoing personality, vivacious sense of humor, and a love for meeting new people.
