

NEW CONSTRUCTION

cont'd

There will be a new student Commons, a game room, multipurpose room, study area, television room, darkroom, WCC Student Government office, food service and vending, a Wellness Center, as well as a student computer usage room. The Student Development offices will be moving to this building also. This new building promises to be the place for the student to be when not in class. WCC continues to strive to make this campus a great place to get an education. This Learning Resources/Student Center building is going to be another great addition that makes all that happen.
