

WHY WATCH JERRY SPRINGER

HE SAID/SHE SAID

By Michelle Furches

MALE

- "Because no other talk shows have fights and hot chicks."
- "All Oprah talks about is cows."
- "It's outrageous."
- "It reminds me of homelife, (when people cheat)."
- "I just came in here. I don't watch TV that much."
- "I just like to make fun of it, and it puts my life in perspective."
- "Springer for President!"
- "God bless Springer!"
- "I watch it for sex and fights."
- "I watch Springer to see what they come up with next."
- "I watch because it's on TV, I guess, and because it's different."
- An Instructor: " I never watch it because when I do it seems to be trash."

ALL THESE SHOWS TALK ABOUT ARE:

- Montel- Blood tests
- Ricki Lake- Men are dogs
- Oprah- Her new book club and losing weight
- Sally- Troubled teens and makeovers
- Jenny Jones- Makeovers

"WITH SPRINGER, ANYTHING GOES!"

FEMALE

- "Because it's funny and Jerry is decent acting in a world of crazy people."
- "His last thought is inspiring."
- "It's always on."
- "It's funny to watch."
- "Because it tells the truth about the 90s: such as bisexuals, gays, lesbians, trans; people cheating, fighting, breeding, being alien abducted, and the only thing the youth of today likes to watch is sex and violence. If Springer was on 24 hours a day, everybody would have a TV."
- "I watch Springer because of the fights."
- "Springer is entertaining but I don't get why he has the final thought."
- A mother's point of view: -"Its trash!"
