*12:15 p.m. in Student Center Lobby*

Thursday, Nov. 5:

**Experience the B.A.T. Mobile**

The Breath Alcohol Testing Mobile Unit is a crime lab that officers use to test the blood-alcohol levels of suspected drunken drivers. You will be allowed to walk through the unit & to view its crime lab. Goggles that simulate the effects on motor skills of drinking as few as two or as many as 20 beers will be part of the exhibit. Officers will conduct sobriety tests on students participating with the goggles to illustrate how difficult even walking a straight line becomes.

*11 a.m. till 2 p.m. outside the Student Center*
