

### Where's That/What's That

By: Lucas Matney

When freshman first come to college, they usually ask where or what something is. So I have made a list of things that will help the entire freshman class.

- **Add/drop Class**— A student may add or drop a class through August 20.<sup>th</sup> After that date, the student must get his/her advisor and instructor to sign the form. If the form is not filled out or not filled out correctly, the student may receive a failing grade.
- **Attendance**— Class attendance is very important. Students are responsible for any and all work that is missed. Some instructors even count attendance as part of the overall grade. Also if you miss too many classes, an instructor can drop you from the class.
- **ID Cards**— Students are required to have an ID card to check out library books, get into college activities, and vote in college elections. Students may get their ID from the library.
- **Intramural Activities**— There are a number of different sports with which a student can involved. All you have to do is watch the bulletin boards for information.
- **SGA**— stands for Student Government Association. Officials are elected each year to help organize student activities.
- **Cougar Cry**— This is WCC's student newspaper. The paper is produced six times a year. And is a good source to find out what is happening around the college.

These are a few things that will help new students in their first year at WCC.

### What's the Pit?

The Pit is the name of the Theater in Thompson Hall. Over the summer the drama department preformed the play, "Marcus Is Walking: Scenes from the Road." The play was about scenes in and around the car. The time is the 100<sup>th</sup> anniversary of the automobile. The cast included Karen Staten, Alan Richey, Shannon Reynolds, Allison Laney, Jessica Johnson, Nikki West, Nate Gorsche, Chris Sowers, Joseph Anderson, Julie Harmon, and was directed by Dave Reynolds. The next play to be put on is "Godspell," Auditions will be August 22<sup>nd</sup> and 23<sup>rd</sup>. HOPE TO SEE YOU AT AUDITIONS!

### WCC Small Business Center Workshops
