## Trivia For You to Ponder

Submitted by: Doug Horne

1. What country has the longest continuous coastline?  
(Hint: We have troops there with their government)
2. There is a city with this name on every continent. What is it?  
(Hint: None of these cities were built in a day)
3. What country produces more movies each year than all others?  
(Hint: Not who you might think)
4. How many states border North Carolina?  
(Hint: Are you kidding? This is too easy)
5. Excluding territories, how many time zones do we use in the U.S.?  
(Hint: Think of all 50 states)
