HAVE YOU PAID UP?

Have you enjoyed the Guilfordian this year? Has it come to be a part of Guilford College to you? Have you watched for its appearance and wondered who or what would be put on the rack next? Did you subscribe to the paper early in the fall, and promise it your support?

If so, don't you think it is time you were considering paying up? It takes money to publish the Guilfordian—in fact more money than it took to publish the old Collegian. When the paper started it did not secure nearly so many subscriptions among the student body as it should have, and of those who did subscribe very few have yet seen fit to pay for their subscriptions. It is a startling fact that not half a dozen boys have yet paid. This is a deplorable state of affairs which we trust will be remedied very soon. It is doubtless due largely to negligence and the very prevalent spirit of "putting off." It is unnecessary to say that all debts are debts of honor and should be paid at the earliest opportunity.

In plain language we need the money and must get it soon or further publication will be impossible, so we are making a personal appeal to you to pay your subscription within the next week. We feel sure that every student will make an earnest effort to help us at this time. Thank you!

A. & M. WINS FROM GUILFORD.

(Continued from Page One.)

the pitching and batting of Morris for the locals and the hitting of Richardson for the visitors. Both teams hit well but played loosely in the field. The score is as follows: R. H. E.

Guilfd 2nds 221 200 00x—7 14 7
Jamestown 110 000 002—4 6 7

The second game was played in Winston, where the Winston High School was defeated by the score of 12 to 2. Winston secured only four hits off of Thayer, but two of these coupled with an error by Miller allowed two runs in the seventh. The features of the game were the home run by Sapp, the fielding of Royal at second, and the heavy hitting of the Guilford boys.

The team will play Monticello High School on Wednesday at Monticello and Winston Highs will be played here on Thursday.

Y. W. C. A. NOTES.

The regular Y. W. C. A. meeting for April 8 was led by Laura Davis, chairman of the missionary committee. After a Bible reading and short talk by the leader, reports were given for the mission study work this year. A girl was chosen from each class who gave most interesting summaries of the text studied. In this way every one could learn something of other countries than the one studied.

The attendance at classes has not been very good, but we hope that by means of some plans that the committee may adopt for another year they may be made more effective.

Luna Cox conducted the meeting on Thursday, April 15, on the subject, "Be Square." The subject itself sounds interesting and the leader did not fail to make it so. She mentioned the three acts namely, saying, doing and being in which we should be square with ourselves and then we would be square with others. She said there were two ways of bluffing; one is to pretend to be better than we are and the other is to pretend to be worse than we really are. Both of these pretensions have their effect. We do not want to practice deceit in any way. We want our influence to be for good, then do we strive to be square in the things that we do? But most of all should we be square in what we are. In this busy world where we are oftentimes judged on the spur of the moment are we perfectly square and honest with ourselves?
