GUILFORD COLLEGE, N. C., APRIL 19, 1916.

NUMBER 27

## ATHLETICS

### Guilford Loses to A. & M., but Wins From Wofford and Trinity.

On last Monday afternoon, April 10, we met with our second defeat of the season when we lost to A. & M. in Greensboro by a 3 to 2 score. Considering the cold weather and all other things it was a very good game. The main feature of the game was the large number of strike-outs. Worth and Zachary between them fanned 12 of the Farmer boys, while Weathers and Evans retired just 15 of our men by the strike-out method.

Worth began the hurling for Guilford, but was replaced by Zachary in the sixth inning as a result of the A. & M. move to the front. Zachary completed the hurling for Guilford "in a true workman-like manner." In the eighth inning we made a move toward the lead, but were unable to make proper connection with the sphere as it was hurled by Evans, who had gone in this inning to save his team from defeat.

#### Guilford vs. Wofford.

We met and easily defeated the team representing Wofford Col-

lege on our own grounds last Tuesday afternoon, April 9, by a 6 to 3 score. The game was not characterized by any spectacular plays, nor was it so long drawn out that it become disinteresting.

#### Guilford vs. Trinity.

Our last great victory was won last Saturday afternoon when we won from Trinity at Spencer by a 2 to 1 score in the fastest and hardest fought game that has been played at Spencer park this season. Zachary, Guilford's young left-handed pitcher, pitched a wonderful game, fanning 14 of the Methodists and allowing only two hits. He not only did splendid pitching, but he also got three hits out of four times to the bat. He landed one of the hits outside of the park fence, but according to the rules of the game it counted for only two bases. Worth, who in this game, played around the initial sack, also got three hits out of four times up.

## The "Holy City" Y. W. C. A. Notes

### "THE HOLY CITY" GIVEN BY THE MEMBERS OF THE GUILFORD CHORUS.

For some time the people of Guilford have been looking forward to hearing Gaul's "Holy City," given by members of the Guilford chorus, and on Sunday evening, April 16th, they had their expectations realized.

It is true that the chorus here was unable to give the cantata as well as the choruses of the Normal and Guilford combined in Greensboro on March 19th and 26th, but it was rendered credibly here. The students have been faithfully practicing on this cantata for several months and the manner in which it was presented showed what the chorus could give with the help of its patient director, Miss Papworth.

The soloists were: Miss Margaret Glenn, contralto; Miss Pauline White, soprano, and Prof Moore, bass.

Beginning with the processional, "Oh, Mother, Dear Jerusalem," the following program was carried out:

#### PART I.

1. Introduction (Instrumental).
2. Chorus, tenor solo and quartet.
3. Chorus.
4. Air: Eye Hath Not Seen—contralto.
5. Chorus—Treble and alto voices; tenor and bass voices.
6. Chorus—Thine is the Kingdom.

#### PART II.

7. Intermezzo (Instrumental).
8. Bass solo and choral sanctus.
9. Air—Come, Ye Blessed—contralto.
10. Air: These Are They Which Came—soprano.
11. Quartet and chorus.
12. Chorus—Great and Marvelous are Thy Works.

#### LITERARY CLUB.

The Literary Club was delightfully entertained by Mrs. Hobbs on the evening of its regular meeting, April 12th. The evening was given over to the reading of Sophocles' "Electra," the parts being assigned as follows:

- Orestes—Dr. L. L. Hobbs.
- Electra—Mrs. Meredith.
- Clytemnestra—Miss Osborne.
- Aegisthus—C. O. Meredith.
- Pylades—Miss Benbow.
- Chorus—Miss Ayer.
- Chrysothemis—Miss Gainey.
- Aged Attendant—Mr. Brinton.

This week three Sophomore girls conducted the regular prayer meeting. Beatrice Lewallen read a Scripture lesson from the 37th Psalm and Bernice Pike sang "Somebody Did a Golden Dead."

After the solo Deborah Brown read a well chosen selection from Arons Sweet Martin's book, "Be Good to Yourself." The optimistic side of life that this author presents is the kind that made us forget tomorrow's troubles and quizzes and listen.

The advice he gives is to do some kindness every day for there is a great deal of gladness in good cheer, good will and encouragement. The more we fling out the more we get back. We want the radium spirit. The radium burns and burns and still we cannot tell that it has lost any of its power. Sometimes we are willing to accord a few good traits to another, but we do so by several limitations of if and but.

Are we happiness radiators? Do we judge people by their mean tricks? If we strive to see the good in others our lives will be enriched and strengthened.

A Blue Ridge Club has been organized. The girls seem to be interested and we are hoping to have a large delegation at Blue Ridge this year.

#### ZATASIAN NOTES.

Our contest in debating has begun, and, with Misses Sullivan, Motsinger, Faucett, Hockett and Walters as competition for the improvement prize, we expect to have a series of good discussions. Two of these debates have been given, in which great care and much interest have been displayed.

At our meeting on the evening of April 14, we had the following programme: Debate, Resolved that the United States should declare war against Mexico. Affirmative, Eulalia Motsinger, Etta Sullivan; negative, Dorothy Faucett, Eula Hockett.

Duet—Beulah Cranford, Vanner Neece.

Newspaper—Eleanor Grantham. The nominating committee, to choose the names of six Zatasians to be voted upon for members of the new Guilfordian Board, gave their report which was accepted.

After miscellaneous business and several criticisms, the society adjourned.
