Mary E. White '14, is instructing the youth in the mill district of White Oak, N. C.

Ovid Jones and Thomas Benbow are now engaged in army work with the Ambulance Corps at Columbia, S. C.

David Petty, '07, was married on October 15th to Miss Marybell Thomas, of Greensboro. Mrs. Petty is a graduate of Salem College and has for some time been a teacher in the kindergarten at Proximity. After leaving Guilford Mr. Petty pursued his studies at Lehigh University, since which time he has held a responsible position in the electrical department of the Bethlehem Steel Works.

Richard J. M. Hobbs, '09, who received training with the Reconstruction Unit at Haverford College, was recently exempted from military service and sailed for France with other detained members of the unit on October 20th. This work of reconstruction has been recognized by at least some of the District Boards as "a necessary maintenance of national interest," so that it comes within the exemption clause of the selective service law on "industrial" grounds. All drafted men in this unit were exempted.

Maria E. Bristow, '03, was married to Mr. Herbert Cox, a prominent business man of Goldsboro, N. C., last May. Mrs. Cox took her master's degree from Woman's College, Richmond, and for several years did most efficient teaching in schools of Virginia and North Carolina.

JUNIORS INDOOR TRACK CHAMPIONS
(Continued from first page)

giving the Senior champion of last year a close struggle.

In the sack race the boys demonstrated that hobble skirts did not seriously interfere with locomotion. Paterson had the biggest sack and won easily.

The girls' nail driving contest was somewhat marred by the fact that all the hammers were not of the same calibre.

When it came to the gentle art of "knocking" Ruth Coltrane easily surpassed all others tho' Mary Mendenhall showed ability of a high order, and landed on the nail at least two-thirds of the time.

The cracker race gave some of Guilford's most famous masticators ample opportunity to display their talents. There was Stafford who can eat his weight in pies, Macon who last year made the crackers vanish like snow beneath a July sun, Hugh Moore who in one summer consumed three-eighths of the Wayne county watermelon crop, and Sam Smith whose eating has had much to do with the present high cost of living. But they all had to bow to Hugh White, the famous sword swallower of Perquimans, who managed to whistle audibly just before Hugh Moore took the last gulp.

The clothes pin race developed some close and exciting contests. The Juniors defeated the Seniors, the Freshman defeated first the "Preps" and then the Sophomores and finally the Juniors won the event by defeating the Freshman.

In the tug of war there was nothing to it but Juniors; the only close contest being that between the "Preps" and Freshman. The weight of the Junior girls is conclusive evidence that the food shortage existing over the country has not spread to these parts. The Juniors simply walked away with their opponents without apparent effort.

Summary.

Wheelbarrow race, 40 yards, won by Hinshaw, '18, Jackson, '18, time 16 2-5 sec. Second, Fitzgerald, '19, and Paterson, '19.

Potato race, 15 yards, 6 apples won by Morris, '18, time 21 3-5 sec. Second E. McVey, '21.

Sack race, 20 yards, won by Paterson, '19, time 5 2-5 sec. Second, Casey, '20.

Cracker race, 5 crackers (dry), won by H. White, '21, 3 min., 2 2-5 sec. Second, Moore, '20.

Clothes pin race, 22 pins, 10 on each team, won by Juniors, time 26 2-5 sec.

Tug of war, 8 on each team, won by Juniors.

Total, Seniors 4, Juniors 5, Sophomores 2, Freshmen 1, Prep. 0.

Floor manager, Brinton; Recorder and timekeeper, Balderston; judges, Balderston, Guess, and Zachery.

Appropriate prizes were given to the winners of all events. A handsome "loving cup" suitably "engraved" was awarded the Juniors. It is doubtful however whether they will be able to keep it as Miss Benbow has made certain embarrassing inquiries regarding a quart measure which has recently disappeared from the pantry.
