VOLUME IV.

GUILFORD COLLEGE, N. C., NOVEMBER 7, 1917

NUMBER 8

MR. BERGTHOLDT SPEAKS TO Y. M. AND Y. W. C. A.

\$325 PLEDGED BY STUDENTS FOR ARMY Y. M. C. A.

WORK.

On Thursday evening the Associations were very glad to hear Mr. J. W. Bergtholdt, College Y. M. C. A. Secretary for the Carolinas, in the interest of Association work in the war. After a Scripture reading Mr. Bergtholdt commenced his talk by saying that there used to be just two divisions of workers in war times, the army and navy, but now there are three, the army, navy, and Y. M. C. A., for truly the latter goes everywhere that the others go.

"In the Spanish-American war the Y. M. C. A. did such splendid work despite its many handicaps," said Mr. Bergtholdt, "that when this war broke out and Dr. John R. Mott offered the services of the Association to President Wilson that President Wilson at once recognized it and gave it a place in which to work." The Y. M. C. A. does so many things that it is hard to enumerate them. For one thing it has almost blotted out gambling by establishing banks where the money of the soldiers may be deposited immediately on pay day and thereby the temptation eliminated. The library is filled with books for the boys to read and these are always out. The Y. M. C. A. headquarters in every camp contains a room in which are to be found paper, stamps and ink and over the table on the wall is a sign, "When have you written to mother." "If the Y. M. C. A. did nothing else more than help the parents and friends of these boys

RED CROSS ACTIVITIES.

One of the most active interests at Guilford just now is the Red Cross work, which is being done thru the medium of the Y. W. C. A. As it was not thought best to organize a separate chapter, the work is being done under direction of the Red Cross organization in Greensboro.

The opportunity to enlist in the work was given to all members of the Y. W. C. A. and it met a ready response both from members of the faculty and student body. The classes in Home Economics have registered for sixteen hours of work per week, for the next three weeks, at the end of which time it is thought that all the work on hand will have been completed.

Permanent headquarters, which have been established in Founder's Hall, present a busy scene. The constant whirl of the sewing machines testifies to the earnestness of those who have undertaken that part of the work. Activities, however, are not confined to headquarters, as we are reminded by the clicking of knitting needles on every side. Fifteen mufflers are nearing completion, and fifteen soldiers will be made more comfortable this winter because of the interest and industry of Guilford College girls.

GUILFORD SCRUBS DEFEAT WINSTON HIGH

SECOND TEAM MAKES TWO TOUCHDOWNS IN WELL-PLAYED GAME.

In an evenly matched game of football on Hobbs field the Guilford scrubs defeated the Winston-Salem High School team by the score of 13 to 0. Both teams were in excellent condition and showed great improvement since the former contest between the two elevens. Every man on the scrub team played good ball, while for Winston Crute was the best ground-gainer and Pulliam, the left end, showed skill in tackling.

At the opening of the game Winston received at the north goal. Barnard kicked to Crute, who was downed on Winston's 35-yard line by Wilson. In the first scrimmage Winston gained five yards thru Guilford's line. Barnard threw Winston for two successive losses on trials at end runs. Crute then punted to Tremain, who was downed in his tracks. A one-yard gain by Tremain, a six-yard loss by Newbold, and an unsuccessful forward pass forced the scrubs to punt. Marlette downed the Winston runner-back on his 20-yard line. Winston gained five yards but in an attempt around right end Marlette forced Winston back five yards. An attempted forward pass intercepted by D. Finch, and a spectacular seventy-yard run around right end, by Tremain, placed the ball within four yards of the goal line. A line plunge by Newbold gave the scrubs their first touchdown; Barnard failed to kick goal; Capt. Crute chose to receive. Anderson tackled Pulliam on Winston's 20-yard line. In two successive downs "Stubby" Finch crept thru the line and threw Winston for a five-yard loss. Stanley carried Winston's punt to Guilford's 50-yard line. An unsuccessful pass, a three-yard gain by Marlette, followed by a 15-yard penalty for holding forced the scrubs to kick. Winston gained five yards in three downs, closing the first quarter with the ball on Winston's 30-yard line. Score 6-0.

In the opening of the second quarter Crute carried the ball thru Guilford's line for Winston's initial first down. Being unable to make further gains Winston punted to Stanley, who carried the ball 15 yards to Guilford's 40-yard line. A two-yard gain by Tremain, six yards by Newbold one by Stanley and four yards by Newbold gave the scrubs a first down. An eight-yard gain by Marlette around right end, together with Barnard's 36-yard run from forward pass, gave the scrubs their second touchdown. Barnard succeeded at goal. Again Winston received and during the remainder of the quarter neither team was able to make any noticeable gains. The period closed with the ball in Winston's possession on the 50-yard line. Score 13-0.

At the beginning of the second half Capt. Stanley chose to receive. Both teams showed the effect of the fast

MUSIC DEPARTMENT SCORES A SUCCESS

MUSICAL SETTING TO TENNYSON DELIGHTS AUDIENCE.

Saturday evening, November 3, at 7:30 o'clock the first musical of the year was staged in Memorial Hall. Miss Papworth, in a few well-chosen words, welcomed the hearers and explained the nature of the program for the evening—telling them that it would be an evening with Tennyson with a few selections of different origin and nature.

Seldom, if ever, have Tennyson's poems, "The Bugle Song" and "The Lady of Shalott" been more effectively or more feelingly interpreted than they were on the occasion when Prof. Balderston read them in such an interesting and charming way to his hearers.

After the reading of "The Bugle Song," the members of the chorus sang the poem in a manner reflecting credit upon themselves and upon their able director, Miss Papworth.

The poem, "The Lady of Shalott," was explained in a most interesting and logical manner by Prof. Brinton. He showed how the sad, sweet story portrayed the waking from dreams to reality; and how the curse upon the Lady of Shalott falls upon many maidens of today.

The cantata, bringing with it first a breath of lightness and cheer, and then a gleam of armor, and finally in "Fairy Lady of Shalott" in all her sadness and pathos, was next given by a chorus of twelve girls. The soloists of the evening, Misses Moton and Hobbs, interpreted their respective themes in a beautiful and sympathetic way.

After the cantata, the audience joined in singing "America."

Then, gaily and cheerily, the chorus sang that rollicking sailor song, "Nancy Lee."

Paul Fitzgerald was at his best in his rendition of his solo, and the sweet strains of "As In Old Gardens" will linger long in the minds of his hearers.

The Men's Glee Club fully lived up to their well-established reputation of last year and charmed their audience by their beautiful rendition of "There's Music in the Air" and "Star of the Summer Night."

The evening closed with the singing of that beautiful familiar melody, so dear to the heart of every Guilfordian, "Hail Dear Old Guilford."

The Biblical Seminar met Monday evening, October 29. The Seminar has decided to study "The Church and Country Life" this year. This book deals with the country church and other problems of interest to those who are from rural communities. Leslie Barrett directed the discussion for this meeting. Other members took an active part in the program and the meeting proved to be profitable to all present.

At this meeting H. N. Williard, A. I. Newlin, N. H. Marlett, R. A. Lineberry and B. L. White were elected as members of the Seminar.

P. V. FITZGERALD

Captain and Manager of Tennis Team

TENNIS TEAM DEFEATS LENOIR.

The Guilford College tennis team easily defeated a team representing Lenoir on the college courts on last Monday afternoon. In spite of the one-sided score the many spectators found the game well worth seeing. In the singles Fitzgerald for Guilford defeated Huffman of Lenoir, 6-2, 6-3. Huffman found it difficult to handle Fitz' serve and the latter's drives to the Lenoir man's back hand were always good for points. In the doubles Fitzgerald and Fox, of Guilford, defeated Huffman and Jarrett, of Lenoir, 6-3, 6-2. Both the Guilford men excelled at the net and forced Lenoir to reply with lobs, which were easily handled.

ZATASIAN PROGRAM.

The Zatasian Literary Society held its regular meeting on November 2. The program for the evening was one of variety and interest.

The first number was a duet by Ruby Worth and Clara Belle Edgeron. Eleanor Grantham in "Here and There" found many items of peculiar interest. Josephine McVey gave a reading from John Charles McNeil. Bernice Pike read a paper prepared by Julia Dixon on the "History of Halloween," which proved entertaining and instructive. The last number was a piano solo by Martha Caudle.

At this meeting the constitution was read for the benefit of the new members.

Juanita Reece gave a favorable critic's report, after which society adjourned.
